WAREHOUSE, 345 WEST 13TH STREET

QUALITY SWEET PEAS

We are headquarters for all the latest and most up-to-date varieties of Sweet Peas, and make a specialty of this grand annual. Our collection has been thoroughly revised, synonyms and out-of-date varieties have been eliminated, wherever practical, and only those of real merit retained.

The Spencer or Orchid-flowering types are exceedingly popular and all the varieties that we offer can be relied upon to come true to color and description. The "Unwins" are all good, and many grandiflora varieties are still holding their own.

If collections are wanted for exhibition purposes, we shall be glad to make suggestions.

At the exhibition of the National Sweet Pea Society of America, held in New York City, July 7 and 8, 1909 and July 12 and 13, 1910, we were awarded the

C. C. MORSE CO.'S SILVER CUP

for the Largest and Finest collection of Sweet Peas, open to the trade only.

NOVELTY SWEET PEAS

American Varieties

Vermilion Brilliant. (Burpee.) The most brilliant iridescent scarlet Spencer yet produced. **Vermilion Brilliant** produces vines that are strong, short-jointed and very floriferous, bearing on stout stems 12 to 15 inches in length, three and four artistically placed flowers. The flowers are of perfect form. The bold, erect standard is well waved and fluted in true Spencer style, of large size, beautifully rounded and finishing well below the keel.

Vermilion Brilliant was awarded the Silver Cup given by the Philadelphia North American at the National Sweet Pea Society's Show, in Philadelphia, June 29 to 30, 1911, for the best variety not yet in commerce. Pkt. of 25 seeds 25 cts., 5 for \$1.00.

The New Duplex

Spencer. The "Best of All" Pink Sweet Peas for bouquets. "Duplex Spencer" produces uniformly large, waved flowers of true Spencer Type. In color, both the standard and wings are a rich cream-pink, and practically all the plants give flowers with double or triple standards. Pkt. 25 cts., 5 for \$1.00.

New Spencer, Irish Belle, or Dream.

The coloring is uniform in both standard and wings, a lovely rich lilac, flushed with pink, which gives a very distinct and soft tone throughout the entire flower. The flowers come invariably three and four to a stem. Pkt. of 25 seeds 25 cts., 5 for \$1.00.

Pearl-Gray Spencer. Pearl-Gray is truly a descriptive name. It is certainly a most lovely and distinct shade that might be described as a pearl or dove-gray, suffused with light rose, showing a trifle more of the delicate rose shading in the standard. Pkt. of 25 seeds 25 cts., 5 for \$1.00.

Captivation Spencer.

This is a really giant-flowered Sweet Pea of true Spencer type, both standard and wings being well frilled and waved. The beautiful self-colored flowers are of a rich rosy wine-red throughout. Pkt. of 25 seeds 25 cts., 5 for \$1.00.

Rainbow Spencer.

The ground color is ivory-white, flaked and lightly streaked with rose. This variety has proved to be thoroughly fixed. Pkt. of 30 seeds 25 cts., 5 for \$1.00.

Sweet Pea Vermilion Brilliant
Collection of American Novelty Sweet Peas, 6 varieties, 1 pkt. each, \$1.25. Three collections for \$3.50.

English Varieties

John Ridd. Rich giant purple, a counterpart of King Manoel. Pkt. of 20 seeds 20 cts., 6 for \$1.00.

Blue Jacket. Sunproof navy blue Spencer. It is a robust grower and throws four flowers on long stems. Pkt. of 10 seeds 25 cts., 5 for \$1.00.

Loyalty. Royal blue flake on white ground. The shape is perfect Spencer form, and as a garden variety is beautiful. Pkt. of 12 seeds 15 cts., 3 for 40 cts.

Hercules. Giant pale rosy pink of extraordinary size and substance. Both standard and wings shade off to a bright rosy pink edge, which gives it a delightful fresh appearance. Pkt. of 20 seeds 25 cts., 5 for \$1.00.

Improved George Stark

The champion scarlet Spencer. Perfectly fixed, sunproof and winner of the N. S. P. S. Silver Medal. Pkt. of 25 seeds 20 cts., 6 for \$1.00.

Stark's Giant Lavender

This fine lavender Spencer was raised five years ago, but we could not get stock large enough to offer. Pkt. of 12 seeds 15 cts., 3 for 40 cts.

Primrose Beauty

A deep cream Spencer of the most perfect shape. The standard is beautifully frilled, and both in color and shape is the best we have seen. Pkt. of 15 seeds 20 cts., 6 for \$1.00.

Mrs. Duncan. Reselected stock. A fine sunproof crimson-scarlet of good size and shape, never turns blue when cut. Pkt. of 20 seeds 15 cts., 3 for 40 cts.

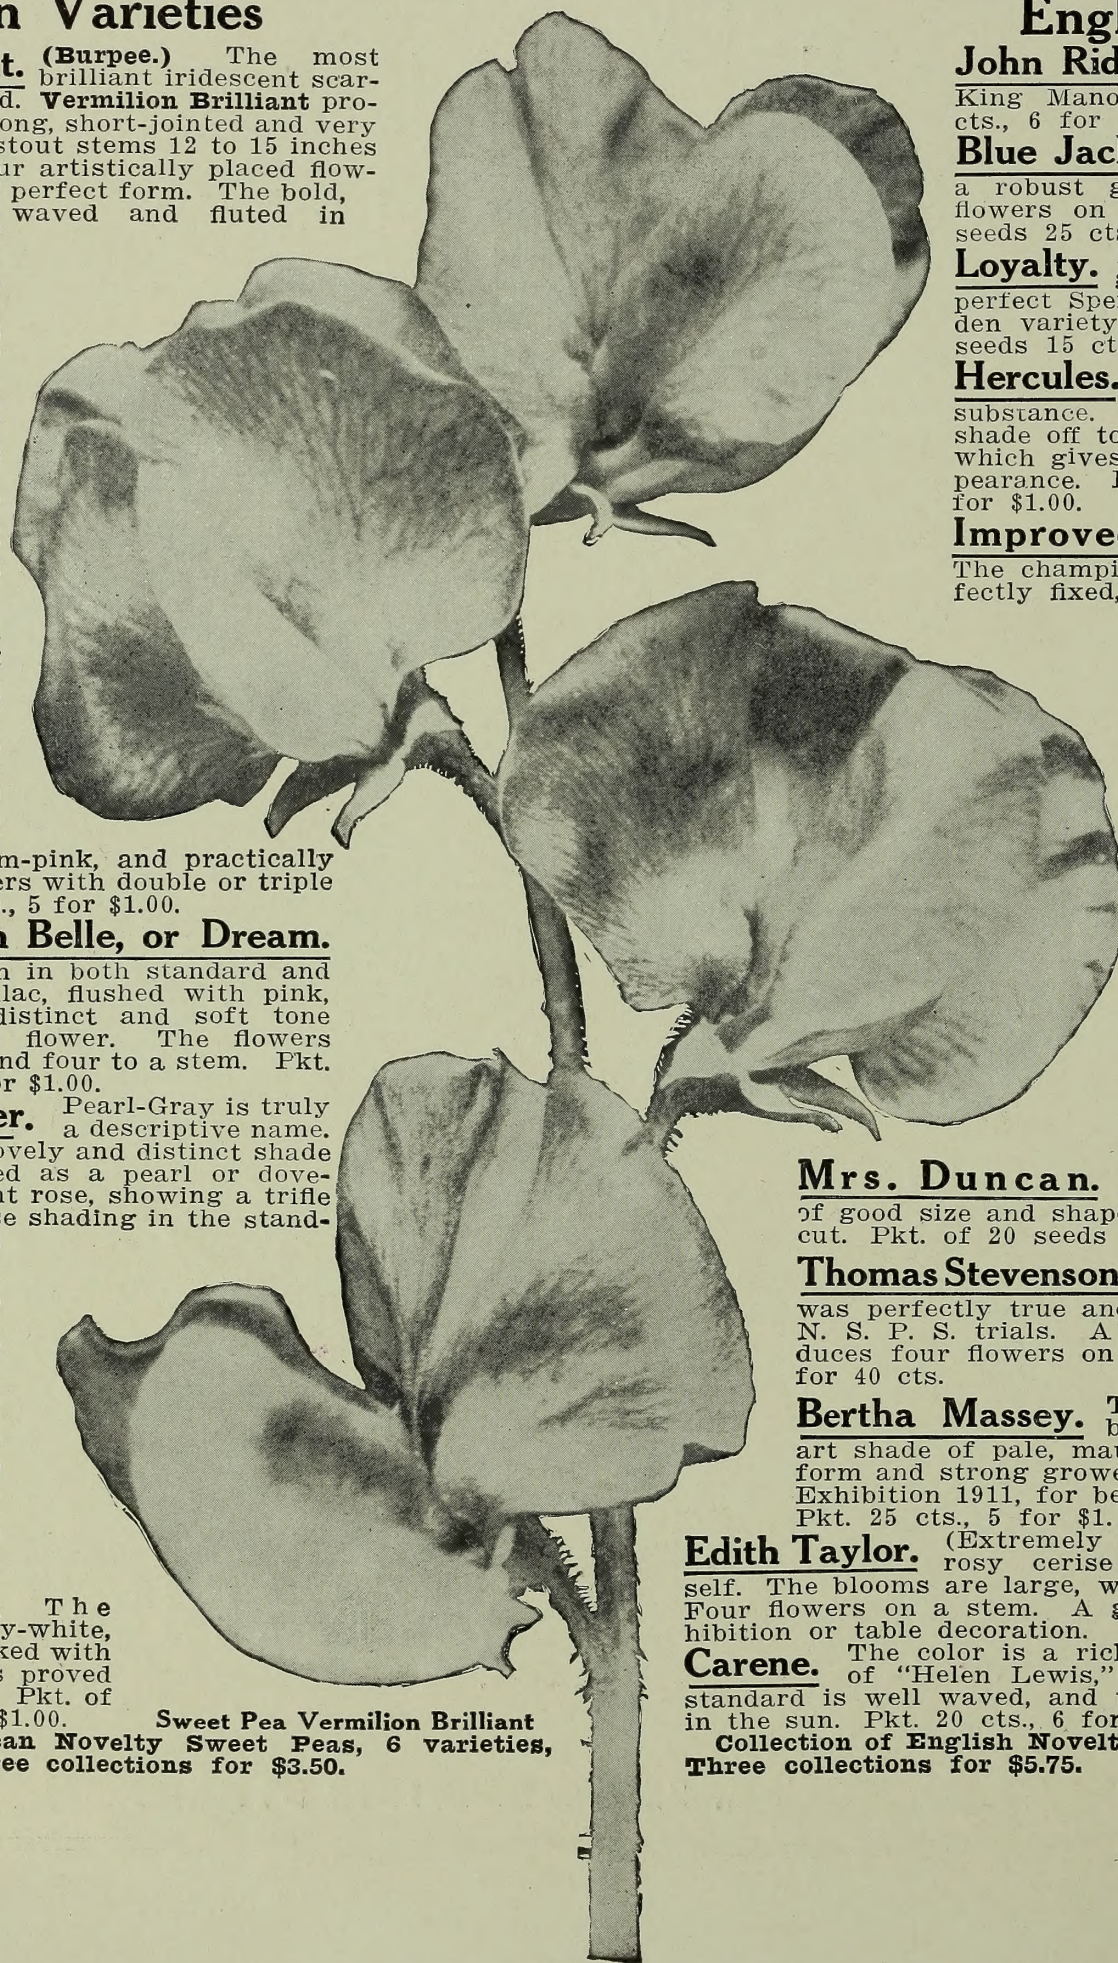

Thomas Stevenson. The finest of the orange-scarlet self; it was perfectly true and nearly sunproof at the N. S. P. S. trials. A strong grower, and produces four flowers on a stem. Pkt. 15 cts., 3 for 40 cts.

Bertha Massey. This variety is a distinct break, being quite a new art shade of pale, mauvy lilac, of fine Spencer form and strong grower. First prize N. S. P. S. Exhibition 1911, for best novelty sent out 1910. Pkt. 25 cts., 5 for \$1.

Edith Taylor. (Extremely scarce.) A very distinct self. The blooms are large, well formed and sunproof. Four flowers on a stem. A grand acquisition for exhibition or table decoration. Pkt. 40 cts., 3 for \$1.00.

Carene. The color is a rich orange, after the style of "Helen Lewis," but rather richer. The standard is well waved, and the flower does not burn in the sun. Pkt. 20 cts., 6 for \$1.00.

Collection of English Novelty Sweet Peas, 1 pkt. each for \$2.00. Three collections for \$5.75.

Spencer Varieties and Recent Introductions

The Spencer varieties of Sweet Peas are fast superseding the Grandiflora types of the same variety and color, and are indispensable in a collection whether for exhibition or cut flower purposes. The following list is the cream of the beautiful creations of the hybridizer's art, and can be relied upon to come true to type and description.

ASTA OHN SPENCER. This variety will undoubtedly take its place as the best lavender. Trade pkt. 15 cts., oz. 25 cts., $\frac{1}{4}$ lb. 85 cts., lb. \$2.50.

APPLE BLOSSOM SPENCER. Fine shade of pink, with distinct serrations on edges of standard. Trade pkt. 15 cts., oz. 25 cts., $\frac{1}{4}$ lb. 75 cts., lb. \$2.00.

AURORA SPENCER. The ground color of the flower is cream-white, and this is exquisitely flaked and mottled with rich orange-salmon. Trade pkt. 15 cts., oz. 25 cts., $\frac{1}{4}$ lb. 85 cts., lb. \$2.50.

AMERICA SPENCER. A grand variety like America, but of the Countess Spencer type, and very large flowers, generally four on a stem. Trade pkt. 15 cts., oz. 50 cts., $\frac{1}{4}$ lb. \$1.50, lb. \$5.00.

BEATRICE SPENCER. One of the most delicate and dainty varieties. Trade pkt. 15 cts., oz. 20 cts., $\frac{1}{4}$ lb. 50 cts., lb. \$1.75.

BLACK KNIGHT SPENCER. Very dark bronze. Trade pkt. 15 cts., oz. 25 cts., $\frac{1}{4}$ lb. 75 cts., lb. \$2.00.

BLANCHE FERRY SPENCER. Pale rosy standard; white wings. Trade pkt. 15 cts., oz. 30 cts., $\frac{1}{4}$ lb. \$1.00, lb. \$3.00.

CAPTAIN OF THE BLUES SPENCER. Standard purple, wings bright blue. Trade pkt. 15 cts., oz. 25 cts., $\frac{1}{4}$ lb. 75 cts., lb. \$2.00.

COUNTESS SPENCER. Bright, clear pink, showing a little deeper at the edge. Trade pkt. 10 cts., oz. 15 cts., $\frac{1}{4}$ lb. 40 cts., lb. \$1.50.

DORIS BURT. The color is a most brilliant light scarlet, slightly shaded cerise. Trade pkt. 15 cts., 4 for 50 cts.

DAINTY SPENCER. In a bud state it looks like a pale primrose self, but when opening first appears to be white, but quickly changes to white with a pink edge, more defined at the back, making a most charming contrast. Trade pkt. 15 cts., oz. 30 cts., $\frac{1}{4}$ lb. \$1.00, lb. \$3.00.

EMILY ECKFORD SPENCER. Rosy purple self color at opening, but turn bluish purple as they reach full expansion. Trade pkt. 15 cts., oz. 30 cts., $\frac{1}{4}$ lb. \$1.00, lb. \$3.00.

ETHEL ROOSEVELT. The ground color is a soft pleasing primrose, or straw color, overlaid with dainty flakes and splashes of blush-crimson. Trade pkt. 15 cts., oz. 50 cts., $\frac{1}{4}$ lb. \$1.50.

FLORA NORTON SPENCER. This is a bright blue, with a little tint of purple, perhaps a little more than the original Flora Norton. Trade pkt. 15 cts., oz. 25 cts., $\frac{1}{4}$ lb. 75 cts., lb. \$2.00.

FLORENCE MORSE SPENCER. Delicate blush with pink margin. Trade pkt. 10 cts., oz. 25 cts., $\frac{1}{4}$ lb. 85 cts., lb. \$2.50.

FLORENCE NIGHTINGALE. The color is most charmingly soft and yet rich lavender, which is enlivened by a very faint sheen of rose-pink. Trade pkt. 15 cts., oz. 50 cts., $\frac{1}{4}$ lb. \$1.50.

GAIETY SPENCER. Striped with rosy magenta. Trade pkt. 15 cts., oz. 30 cts., $\frac{1}{4}$ lb. \$1.00, lb. \$3.00.

GEORGE STARK (SPENCER). The standard is nicely waved and upright, but owing to the thickness of the petal is not so crinkled as some of the Spencers. Trade pkt. 25 cts., 5 pkts. \$1.00, oz. \$1.25, $\frac{1}{4}$ lb. \$4.00.

JUANITA SPENCER. White striped with lavender. Trade pkt. 15 cts., oz. 25 cts., $\frac{1}{4}$ lb. 85 cts., lb. \$2.50.

KING EDWARD SPENCER. The nearest approach in color (crimson) to the popular King Edward VII in the waved or Spencer type. Trade pkt. 15 cts., oz. 25 cts., $\frac{1}{4}$ lb. 75 cts., lb. \$2.00.

LOVELY SPENCER. Bright pink at the throat, shades to soft blush and almost white at the edges. Trade pkt. 15 cts., oz. 25 cts., $\frac{1}{4}$ lb. 85 cts., lb. \$2.50.

MRS. HUGH DICKSON. A cream-pink Spencer on buff ground, very fine form; flowers well placed on long stems. Trade pkt. 15 cts., oz. 50 cts., $\frac{1}{4}$ lb. \$1.75, lb. \$6.50.

MRS. WALTER WRIGHT SPENCER. A magnificent rosy mauve. Trade pkt. 15 cts., oz. 25 cts., $\frac{1}{4}$ lb. 75 cts., lb. \$2.00.

MRS. RUTZAHN SPENCER. The blending shades are soft rose and buff and primrose, with a decided rose edge. Trade pkt. 15 cts., oz. 25 cts., $\frac{1}{4}$ lb. 75 cts., lb. \$2.00.

MRS. SANKEY SPENCER. Any one familiar with the old favorite, Mrs. Sankey, will at once recognize this as a "Black-Seeded White" Spencer of perfect form. Trade pkt. 15 cts., oz. 20 cts., $\frac{1}{4}$ lb. 50 cts., lb. \$1.75.

MARIE CORELLI (SPENCER). The large flowers are brilliant rose-carmine or red. The wings are a pure, rich rose-carmine, while the standard shows a tint of cherry-red. Trade pkt. 15 cts., oz. 50 cts., $\frac{1}{4}$ lb. \$1.50, lb. \$5.00.

MASTERPIECE. The color of the flower is a rich lavender, of true Spencer type. Trade pkt. 15 cts., 4 for 50 cts.

MAUD HOLMES. Sunproof Crimson Spencer. Brilliant crimson blooms of the true Spencer type, both standard and wings being well waved. This variety will not burn under the hottest sun, is of vigorous and strong growth. Trade pkt. 15 cts., oz. 75 cts., $\frac{1}{4}$ lb. \$2.75, lb. \$10.00.

OTHELLO SPENCER. A rich deep maroon. Trade pkt. 15 cts., oz. 30 cts., $\frac{1}{4}$ lb. \$1.00, lb. \$3.00.

PRINCE EDWARD OF YORK SPENCER. Bold rosy salmon, some say salmon-carmine standard, with rosy wings, a charming combination of color. Trade pkt. 15 cts., oz. 40 cts., $\frac{1}{4}$ lb. \$1.25, lb. \$4.00.

PRIMROSE SPENCER (Reselected and true). The color is a pronounced primrose or creamy yellow throughout both standard and wings. Trade pkt. 15 cts., oz. 20 cts., $\frac{1}{4}$ lb. 50 cts., lb. \$1.50.

PICOTEE (SPENCER). Flowers white, beautifully edged carmine, large and well waved. Trade pkt. 15 cts., oz. 50 cts., $\frac{1}{4}$ lb. \$1.50, lb. \$5.00.

QUEEN ALEXANDRA SPENCER. One of the best of the self-colored crimson-scarlets, beautifully curved and fluted. Trade pkt. 15 cts., oz. 40 cts., $\frac{1}{4}$ lb. \$1.25, lb. \$4.00.

QUEEN VICTORIA SPENCER. Extremely large. The background is quite a deep primrose, flushed with rose. Trade pkt. 15 cts., oz. 25 cts., $\frac{1}{4}$ lb. 85 cts., lb. \$2.50.

RAMONA SPENCER. This variety is clear white, with soft delicate lines and flakes of blush-pink. Trade pkt. 15 cts., oz. 25 cts., $\frac{1}{4}$ lb. 75 cts., lb. \$2.00.

RUBY SPENCER. This may be best described as an improved Saint George, or more of a self, the wings being almost the same color as the standard. Trade pkt. 15 cts., oz. 30 cts., $\frac{1}{4}$ lb. \$1, lb. \$3.

SATIN QUEEN SPENCER. Deep primrose with beautiful satiny pink finish; a valuable addition; four flowers usually on a stem. Trade pkt. 15 cts., oz. 50 cts., $\frac{1}{4}$ lb. \$1.50, lb. \$5.

SENATOR SPENCER. The color is of a varying combination of deep claret and chocolate, striped and flaked on a ground of light heliotrope. Trade pkt. 15 cts., oz. 25 cts., $\frac{1}{4}$ lb. 75 cts., lb. \$2.00.

TUCKSWOOD FAVORITES. A superb mixture of pedigree Spencer hybrids, being the results of hybridization and trials of Mr. Robert Holmes, the English Sweet Pea specialist, and containing a great assortment of colors. Varieties and colors will be found in this collection hitherto unknown, and many surprises will be in store for growers of this grand Tuckswood mixture. Pkt. 15 cts., oz. 60 cts., $\frac{1}{4}$ lb. \$2.00, lb. \$7.50.

TENNANT SPENCER. Like its predecessor, the color is purplish mauve. Trade pkt. 15 cts., oz. 25 cts., $\frac{1}{4}$ lb. 75 cts., lb. \$2.00.

WHITE SPENCER (Reselected seed only). Produces in the greatest profusion flowers of enormous size that are absolutely pure white. Trade pkt. 10 cts., oz. 25 cts., $\frac{1}{4}$ lb. 85 cts., lb. \$2.50.

W. T. HUTCHINS (SPENCER). A beautiful cream-yellow, margined with blush pink; an extremely large-flowering variety. (Seed very scarce.) Trade pkt. 15 cts., oz. 50 cts., $\frac{1}{4}$ lb. \$1.50, lb. \$5.

N. B.—All our Spencer and other stocks of Sweet Peas are reselected, NOT ordinary stocks usually offered—there is a difference.

BODDINGTON'S QUALITY SWEET PEAS

N. B.—To have success with Sweet Peas, sow as soon as frost is out of ground. This list is arranged alphabetically.

All Our Sweet Peas are re-selected, not ordinary stock—there is a difference

For description of Novelty Spencer Sweet Peas, see page 1.

BODDINGTON'S QUALITY MIXTURE OF SWEET PEAS

Containing all the leading and most distinct varieties of Sweet Peas in commerce. This mixture is made by ourselves, and great care is taken not to have a preponderance of any one color or variety. It is truly and indeed a mixture. ¼ lb. 10 cts., ½ lb. 15 cts., lb. 25 cts., 5 lbs. \$1.15, 100 lbs. \$20.00.

SPENCER VARIETIES, MIXED.

In Splendid Mixture. Customers who are at a loss what varieties to buy will find this mixture a most satisfactory way to have the "E pluribus unum" of this lovely flower. Oz. 10 cts., ¼ lb. 35 cts., lb. \$1.00, 10 lbs. \$9.00.

TUCKSWOOD FAVORITES.

A Superb Mixture of Spencer Varieties, disseminated by Mr. Robert Holmes; full description see page 1. Pkt. 15c., oz. 60c., ¼ lb. \$2.00, lb. \$7.50.

Are you a member of the National Sweet Pea Society of America? If not you should send for an application blank; the annual dues are \$2.00, life membership, \$25.00. Fourth annual convention and exhibition, Boston, Mass., July 13 and 14, 1912. Write for schedule and further information to the secretary, Harry A. Bunyard, 342 West Fourteenth Street, New York City.

Boddington's Flower-Seed Novelties and Specialties

RECENT INTRODUCTIONS

While every year we look upon the flower-seed novelties placed upon the market with more or less scepticism, we must not overlook the fact that all the really good things of today were novelties at one time, and were looked upon with as much, or perhaps more suspicion than the novelties of today.

There are many novelties offered this year from different sources, but it is our endeavor to select only those we know something about, have seen, or that are highly recommended from sources other than the disseminator. The descriptions are those of the introducers. You cannot afford to be without some of these really good introductions.

THE NEW BEDDING PETUNIA

Petunia, Boddington's Erskine Park Belle

PETUNIA, BODDINGTON'S ERSKINE PARK BELLE H. A.

This is a remarkably pretty Petunia, raised by Mr. E. J. Norman, gardener to Mrs. George Westinghouse. The color is deep rose-pink—flowers as large again as Bar Harbor Beauty, and slightly frilled, an excellent variety for bedding or for borders, and if seed-pods are removed will bloom the whole Summer. Knowing this variety personally, we can highly recommend Erskine Park Belle. Trade pkt. 25 cts., 5 for \$1, 1/8 oz. for \$2.50.

Ostrich Plume Celosia Pride of Castle Gould

Celosia Pyramidalis Plumosa
Hybrida Castle Gould
(Pride of Castle Gould)

AWARDS: Large Silver Medal at the National Flower Show, Chicago, Ill., 1908; First Class Certificate, New York Florists' Club, 1907; Special Diploma of Merit at the Mineola Fair, 1907, and numerous first premiums.

The Ostrich Plume Celosia, "The Pride of Castle Gould," is an entirely distinct type of the *Celosia pyramidalis plumosa*, and surpasses, by far, anything thus far placed on the market. This strain has, through constant culture and careful selection and hybridization, proven its superiority to anything similar ever offered. The following strong points speak for themselves.

COLOR. The plumes are of many beautiful self-shades, including Blood-red, Real Carmine, Golden Yellow, Salmon, Deep Scarlet, Dark Orange, and Wine-red. When fully developed, the tips of the plumes attain a lovely golden tint, the combination being very attractive and distinctive; however, by variation there will be found many more shades; the self-coloring will be surprising.

DECORATIVE VALUE. As a pot plant, with its quick-growing habit, we believe there is no finer plant known at the present time, wherefrom in the course of six months a most excellent stock of salable plants in every size can be obtained. As a bedding plant, it cannot be equalled by any other annual for its profusion of flowers and variety of striking colors.

Price per trade pkt. 50 cts.,
3 pkts. for \$1.25.

Solanum capsicastrum Melvini

Solanum Capsicastrum Melvini

(NEW SOLANUM)

Brilliant Scarlet, Conical-Shaped Berries

Awarded a first-class Certificate by the Massachusetts Horticultural Society, also by The Boston Gardeners and Florists' Club.

It is just what is wanted for the holidays and Winter decoration. Pronounced by the judges the best novelty for this purpose that has been exhibited in years.

It is a very bushy, compact plant, 12 to 15 inches high, covered with brilliant scarlet conical-shaped berries about 1/2 inch in diameter, each berry standing well above the dense, dark foliage, making it one of the best Winter decorative plants ever introduced, and a money maker for the florist at Christmas. Seed sown in January or February will produce fine specimen plants full of fruit for the holidays. (See illustration.)

Trade pkt. 25c., 5 for \$1.00.

The Gigantic Orchid-Flowering Cosmos

BODDINGTON'S LADY LENOX (H. A.)

This Gigantic Cosmos is the forerunner of an entirely new race of Cosmos. It is of extraordinary size and beauty. Size of flowers, 4 to 5 inches in diameter, which is about three times larger than the ordinary Cosmos. Color a delightful shell-pink, lighting up beautifully at night. Form of flower, oval petals of splendid substance, forming a perfectly circular flower which, when cut, lasts an unusual length of time in water. Habit of plants, strong and vigorous, growing 6 to 7 feet high. Flowers may be cut with any length of stem up to 5 feet. Trade pkt. 15 cts., oz. 50 cts., ¼ lb. \$1.75.

NOVELTY ASTERS

Aster, Lady Roosevelt. H.A. A chrysanthemum-flowered Aster of the Burbank strain. The flowers resemble the incurving Chrysanthemum; the color is a gorgeous pink, of marvelous beauty. The mammoth growth of plant insures extra-long stems; we have grown stems 40 inches long; 20 to 30 inches long is very ordinary for Aster Lady Roosevelt, and the flowers are very large. Pkt. 15 cts., 2 for 25 cts., ½ oz. 75c.

Aster, Hercules Brilliant Rose. H.A. Varying in height from 16 to 20 inches, the plant throws up sturdy, thick stalks, crowned with gigantic flowers of the most perfect curled and waved chrysanthemum type, measuring often 6 inches or more in diameter, a size attained by no other Aster in cultivation. Pkt. 35 cts., 3 for \$1.

NOVELTY DAYBREAK ASTERS

The following six beautiful varieties are seedlings of the well-known Daybreak and Purity, and are bound to find favor with all lovers of this beautiful class.

Aster, Lemon Drop (Yellow Daybreak). (Novelty, '10.) H.A. A real yellow Aster at last. It is a decided yellow, and as good a grower as any of the other varieties of the Daybreak class. The flowers are not quite so large as those of Purity, its parent, but are more perfect and symmetrical in form, in fact the petals are laid so perfectly that the flowers have a wax-like appearance. Trade pkt. 15 cts., ½ oz. 60 cts., ¼ oz. \$1.00, ½ oz. \$1.75, oz. \$3.00.

The Giant Crego Aster

A Sextet of Daybreak Asters

Aster, America (Imp. Pink Daybreak). (Novelty, '10.) H.A. Strong robust grower, producing flowers of the largest size on very strong, stiff stems. In color it is somewhat darker than Daybreak, quite resembling the shade known as old rose. Trade pkt. 15 cts., ½ oz. 50 cts., ¼ oz. 75 cts., ½ oz. \$1.25, oz. \$2.50.

Aster, Salmon King (Salmon Daybreak). (Novelty, '10.) H.A. In this variety we have a splendid addition to the Daybreak class. The color is not only novel, but of a very pleasing shade, bright enough to make it always conspicuous, although modest and unassuming in appearance. Trade pkt. 15 cts., ½ oz. 60 cts., ¼ oz. \$1.00, ½ oz. \$1.75, oz. \$3.00.

Aster, Rosy Morn (Rose Daybreak). (Novelty, '10.) H.A. This is a very beautiful variety. The flowers are of a handsome shade of rose, large, well formed, double to the center and produced in the same profusion as the other Asters of this class. Trade pkt. 15 cts., ½ oz. 50 cts., ¼ oz. 75 cts., ½ oz. \$1.25, oz. \$2.50.

Aster, Lavender Daybreak. (Novelty, '09.) H.A. The habit of growth is similar to that of Daybreak, but the flowers are somewhat larger in size, always full to the center and of a most beautiful shade of lavender. Trade pkt. 15 cts., ½ oz. 50 cts., ¼ oz. 75 cts., ½ oz. \$1.25, oz. \$2.50.

Aster, Blue Bird (Blue Daybreak). H.A. The color is a fine shade of light blue, plant of very symmetrical habit and of the same general style of growth as Daybreak and Purity. Exceedingly free flowering. An ideal variety for lifting and potting. Trade pkt. 15c., ½ oz. 50 cts., ¼ oz. 75 cts., ½ oz. \$1.25, oz. \$2.50.

Collection of the above six grand Novelty Daybreak Asters, 1 pkt. each for 75 cts., 3 collections for \$2.00.

Aster, Crego H.A. The Crego Asters are of American origin and are very strong growers, attaining a height of from 2 to 3 feet, with long, strong stems. The flowers are of a mammoth Comet type, measuring from 4 to 5 inches in diameter and resembling large Chrysanthemums. (See illustration.)

Pink15	.25	.50	.85
Mixed15	.25	.50	.85

Aster, Vick's New Early Non-lateral Branching.

H.A. The Early Branching come into bloom about two weeks earlier than the Late Branching. The plants have but few branches and are free from side buds, the whole strength of the plant being given to the development of the very few large and perfect flowers which are borne on extra-long stems. We offer two colors only, **Early Branching White**, **Early Branching Rose**. Each, trade pkt. 25 cts., $\frac{1}{4}$ oz. 75 cts., $\frac{1}{2}$ oz. \$1.25, oz. \$2.

Aster, Branching Rosy Carmine. The color is hard to describe but rosy carmine is about right. As a cut flower this Aster catches the eye every time. Trade pkt. 25 cts., $\frac{1}{4}$ oz. 75 cts., $\frac{1}{2}$ oz. \$1.25, oz. \$2.

Aster, Royal Purple. **H.A.** The flowers are large, white, full center, well covered, petals flat and incurved. Color a rich shade of Royal Purple. Season, medium to late. Trade pkt. 25 cts., $\frac{1}{8}$ oz. 30 cts., $\frac{1}{4}$ oz. 50 cts., $\frac{1}{2}$ oz. 80 cts., oz. \$1.50.

Single Aster, Southcote Beauty.

H.A. This new race much resembles the Ostrich Plume Aster, which has become so exceedingly popular during the last few years. It has all the beauty of habit and flower which the latter possesses, and is a distinct acquisition. The flowers have long, perfectly formed petals and very small golden-yellow centers, as is shown in the accompanying illustration. They are carried on long, stiff stems from 12 to 20 inches in length. The colors include beautiful shades of pink, as well as blue and pure white. Southcote Beauty is of great value as a border plant, attaining a height of 2 to 2½ feet, and is probably unrivaled by any other Aster for cutting and house decoration. In future years, we hope to save distinct colors, but at present we can only offer mixed seed containing the shades mentioned above. (See illustration.) Trade pkt. 25c., 5 pkts. for \$1.00, $\frac{1}{8}$ oz. \$2.00.

Aster, Early Wonder.

White. **H.A.** This is the earliest Aster in cultivation, blooming several days before Queen of the Market, with pure white flowers double the size; nice shape and stands well. It has become a leading early variety and has proven a great acquisition to growers requiring large, early blooms. Trade pkt. 25 cts., 5 pkts. for \$1.00, $\frac{1}{8}$ oz. 40 cts., $\frac{1}{4}$ oz. 75 cts., $\frac{1}{2}$ oz. \$1.25, oz. \$2.00.

Early Wonder Pink. Trade pkt. 25 cts., 5 pkts. for \$1.00, $\frac{1}{8}$ oz. 40 cts., $\frac{1}{4}$ oz. 75 cts., $\frac{1}{2}$ oz. \$1.25, oz. \$2.00.

Boddington's Single Comet Asters.

These are becoming very popular. Flowers measure 4 to 6 inches across.

Trade pkt.	Oz.	Trade pkt.	Oz.
White	\$0.10 \$0.50	Light Blue	\$0.10 \$0.50
Light Rose10 .50	Violet10 .50
Brilliant Rose10 .50	Mixed10 .40

Aster, Improved Early Branching Semple. **H.A.** Its greatest value is in its earliness, blooming as it does ten days earlier than Semple's Pink. Trade pkt. 15 cts., $\frac{1}{4}$ oz. 75 cts., $\frac{1}{2}$ oz. \$1.25, oz. \$2.00.

Aster, Elegance. Flowers large, single petals beautifully twisted, long stems, useful for cutting.

Elegance, lavender. Trade pkt. 15 cts.

Elegance, dark blue. Trade pkt. 15 cts.

Elegance, deep rose. Trade pkt. 15 cts.

Elegance, pale rose. Trade pkt. 15 cts.

Any of the above, $\frac{1}{8}$ oz. 40 cts., $\frac{1}{4}$ oz. 75 cts., $\frac{1}{2}$ oz. \$1.25, oz. \$2.

Aconitum Wilsoni. **H.P.** This recent introduction from China, with large, pale blue tresses, is the latest flowering of all the Monkshoods. It attains a height of from 4 to 5 feet, and after the terminal flower truss is over lateral shoots are produced which continue its flowering season into November. Trade pkt. 25 cts., 5 pkts. for \$1.00.

Anchusa Italica, Dropmore var. **H.P.** The plant is of strong, vigorous and branching habit, producing very large, brilliant blue flowers in abundance in June and July. Trade pkt. 25 cts., $\frac{1}{4}$ oz. \$1.00.

Single Aster, Southcote Beauty

Anchusa Capensis

alba. **H.A.** Pure white flowering variety of this very pretty hardy annual. Trade pkt. 15 cts., oz. \$1.00.

Antirrhinum grandiflorum majus, Rose Dore.

This variety is a lovely new shade of salmon-shade gold, a unique color, which lights up beautifully at night. Height 3 feet. Trade pkt. 15 cts., 2 pkts. for 25 cts., oz. \$1.00.

Antirrhinum majus, Fairy Queen.

Rich orange salmon or terra cotta, with white throat; very striking and beautiful. Trade pkt. 15 cts., 2 pkts. 25 cts., oz. \$1.00.

Antirrhinum majus, Salmon Queen.

Very rich golden rose, with white throat; splendid variety. Trade pkt. 15 cts., 2 pkts. for 25 cts., oz. \$1.00.

Antirrhinum majus grandiflorum

Venus. **H.H.P.** This splendid new Snapdragon will soon become one of the most valued sorts. Color, lovely pink with pure white throat. Pkt. 20 cts., 6 for \$1.00.

Antirrhinum majus grandiflorum album flore pleno.

(Double White Snapdragon.) **H.H.P.** Out of the mouth-like aperture in the flowers, between the upper and lower lips, emerge abnormal fantastic petals, which give a double and beard-like aspect to the very large bloom. A valuable acquisition. Trade pkt. 25 cts., 5 pkts. for \$1.00.

Aquilegia coerulea candidissima. **H.P.** A charming new Columbine, which differs from the existing whitish long-spurred kinds with colored spurs, by the uniform pure snowy whiteness of the entire bloom. Trade pkt. 25 cts., 5 pkts. for \$1.00.

Aquilegia Rose Shade. **H.P.** Long-spurred exhibition strain, very beautiful. Trade pkt. 75 cts., 3 pkts. for \$2.00.

Begonia, Boddington's Crimson Bedder. **H.H.P.** A new strain, with small foliage and glowing scarlet-crimson flowers. As a bedding plant this variety is worth growing for its rich russet-crimson foliage only. Trade pkt. 50 cts.

Balsam Improved Camellia-flowered Primrose

H.A. Among our finest class of Balsams, the Improved Camellia-flowered Primrose is especially prominent by reason of its large and very double flowers. It forms strong plants about 2 feet in height, thickly studded with large flowers of a clear yellow, a much superior tint to that already offered as "light yellow." The individual flowers are extra-double, compact, of a pleasing rosette-like shape and measure over two inches across. Trade pkt. 25 cts., 5 pkts. for \$1.00.

Begonia gracilis Mignon. **H.H.P.** A charming bedding Begonia, profusely covered with brilliant blooms of fiery scarlet; height 7 to 8 in. Pkt. 25c., 5 for \$1.00.

Bellis perennis monstrosus albus fl. pl. and roseus fl. pl., Giant English Daisies. For strength, robust growth, and size of flowers, these two new Giant Daisies excel all varieties hitherto disseminated. Each plant produces from 12 to 15 flowers, 2 to 3 inches in diameter. Each, trade pkt. 25 cts., 5 for \$1.00.

NEW CENTAUREAS H. A.

Magnificent flowers of brilliant color.

THE BRIDESMAID. Lemon-yellow. Trade pkt. 25 cts., ¼ oz. \$1.00.

HONEYMOON. Golden-yellow. Trade pkt. 25 cts., ¼ oz. \$1.00.

THE BRIDE. Pure white. Trade pkt. 25 cts., ¼ oz. \$1.00.

THE BRIDEGROOM. Heliotrope. Trade pkt. 25 cts., ¼ oz. \$1.

Chrysanthemum coronarium, Tom Thumb Primrose Gem. **H.A.** The habit of the plant is very dwarf and compact, 15 inches in height, covered with beautiful double well-formed flowers of a rich primrose color well adapted either for borders or pot culture. Trade pkt. 25 cts., 5 pkts. \$1.00.

Cineraria grandiflora nana "Stella." **H.H.A.** The plant is of fine compact habit of growth, and covered with splendid large substantial flowers, with ray-like, very large petals, beautifully quilled and fluted in Cactus-Dahlia fashion. The coloring surpasses anything ever seen in Cinerarias; there are the lovely and rare Cornflower blue tints in profusion, rich crimson and blood-red in dazzling variety, deep rose and shell-pink, most delicate peach-blossom and cream-colored shades quite new to Cinerarias. About 250 seeds in a packet. Trade pkt. \$1.00, ½ pkt. 60 cts.

Cineraria maritima candidissima, Diamond.

H.H.P. This variety is a much-improved type of Cineraria maritima candidissima, with pure white leaves, which are extremely serrated and equal in color to Centaurea candidissima. Trade pkt. 25 cts., oz. \$1.25.

Cosmos, Crimson Ray **H.A.** A beautiful new type now first introduced. This distinct novelty originated from one plant which attracted marked attention from the fact that the flowers, while equally as large in diameter, showed a new departure in form, number and shape of the petals. The petals were narrow and fluted, separated in star-like form and of the most brilliant crimson color overlaid with a velvet sheen. Of this plant, one blossom bearing twenty-two petals was marked for seed, and the selections from the products of this single flower have been continued each year since, until now this many-petaled type has become thoroughly fixed. The plants grow 4 to 5 feet in height, are most profuse in bloom, and the flowers are so striking and elegant that it will be acknowledged "one of the most artistic plants" of recent introduction. Pkt. 20 cts., 3 pkts. for 50 cts.

The Great Cyclamen Mrs. Buckston. **G.B.** It is not often that a Cyclamen is honored by the Award of Merit from the Royal Horticultural Society, but the exception in this case well merits the award. Cyclamen Mrs. Buckston is of a real salmon shade of color, a lovely tint somewhat more delicate than found in our "Salmon King," and similar to the famous Carnation, "Enchantress." The type which has beautifully frilled petals must not be mistaken for the Butterfly Cyclamen, to which it is a great improvement. The flowers are immense, larger than anything we have seen before, but, in spite of the size, are most freely produced, and the plants also being excellent growers, we have in this lovely variety the last word in Cyclamen, without which no collection will be complete. Pkt. 75 cts., 3 pkts. for \$2.00.

Dimorphotheca aurantiaca hybrida

THIS IS ONE OF THE
Most Attractive Novelties
OFFERED THIS YEAR

Dimorphotheca aurantiaca hybrida. **H.A.** These hybrids are similar in habit and size of bloom to the beautiful *Dimorphotheca aurantiaca*, but range in color from pure white to blush white with salmon glow and orange-salmon reverse, creamy white with lemon reverse, blush with chrome and brown reverse, lemon with deep brown reverse, canary-yellow, soft salmon and salmon-orange. The flowers have mostly a central zone of another color and they mostly have a dark center. In conclusion we may state that in our opinion they form the most striking and prettiest novelty sent out for several years. (See illustration.) Pkt. 25 cts., 5 pkts. for \$1.00.

Dimorphotheca aurantiaca, Orange Daisy.

H.A. It is very easy of culture and must be considered a useful flower for the florist. No one with a garden should be without this lovely, useful, rare and extremely showy annual from Namaqualand, South Africa, which has become a great favorite in all countries on account of its easy culture and beautifully colored flowers. The plants, of very branchy habit, grow about 12 to 15 inches high and are exceedingly profuse in flowering. Its Marguerite-like blossoms, 2½ to 2¾ inches in diameter, show a unique glossy, rich orange-gold, which brilliant coloring is rendered the more conspicuous by the dark-colored disc surrounded by a black zone. This splendid annual is well adapted for groups or cutting, it produces its flowers very early after being planted out in the open ground in sunny situations and will continue to flower during the Summer months. A bed in full bloom is a magnificent sight. Trade pkt. 20 cts., 3 pkts. for 50 cts., ½ oz. \$1.00.

Single Early Chrysanthemum. **H.H.P.** The Early Singles have quickly gained in popularity. The seed is procured by us from Wells, the great Chrysanthemum specialist of England. Splendid mixture. Trade pkt. 25 cts. and 50 cts.

Annual Lupin,
Boddington's Snowbird

Gypsophila elegans carminea. H.A. A splendid carmine-rose variety much brighter than *Gypsophila elegans rosea*. This *Gypsophila* will be found very useful for cutting and arranging with other flowers. Trade pkt. 25 cts., 5 for \$1, ½ oz. \$1.25, oz. \$2.

Helianthus (Sunflower) Chrysanthemum-Flowered. H.A. This is an annual variety with large intensely double bright golden flowers. The plant branches and makes fine, long stout stems for cutting. This is the finest variety for this purpose. Trade pkt. 5 cts., oz. 10 cts., lb. \$1.25.

Larkspur, Boddington's Giant Hyacinth-Flowered Navy Blue. H.A. A grand variety for cutting purposes; color intense blue. Trade pkt. 15 cts., 2 pkts. for 25 cts., oz. 75 cts.

Leucanthemum maximum semiplenum (The Semi-double Shasta Daisy). H.P. This is a grand type of the Shasta Daisy. The flowers are quite large, with three to six rows of ray florets; are snow-white with a small yellow disc. The stems are long and wiry. Trade pkt. 25c., 5 pkts. for \$1.

Lupinus annuus (Annual Lupins). H.A. The popularity of Annual Lupins is responsible for the introduction of the following six new shades, which should be grown in every up-to-date garden.

Lupin, Boddington's Blue Bird. Celestial-blue. Trade pkt. 20 cts., oz. 75 cts.

Lupin, Boddington's Paraquette. Bright scarlet, white tip. Trade pkt. 20 cts., oz. 75 cts.

Lupin, Boddington's Oriole. Combined yellow and blue. Trade pkt. 20 cts., oz. 75 cts.

Lupin, Boddington's Flamingo. Giant pink; tall, showy. Trade pkt. 20 cts., oz. 75 cts.

Lupin, Boddington's Snowbird. Pure white. Trade pkt. 20 cts., oz. 75 cts. (See illustration.)

Lupin, Boddington's Cockatoo. Dwarf; salmon-pink. Trade pkt. 20 cts., oz. 75 cts.

Lupinus polyphyllus roseus. H.H.P. A perfectly distinct variety of the old Polyphyllus, making a charming plant for herbaceous borders, etc. The flowers are produced in long spikes of a lovely soft rose-pink color. The plants are perfectly hardy and of a robust branching habit. If sown early will flower the first year from seed. Trade pkt. 15 cts., ¼ oz. 40 cts., ½ oz. 75 cts., oz. \$1.25.

Marigold, Boddington's Gold Medal African. The following varieties represent the best that can be obtained, the seed being supplied by a Scotch specialist in Marigolds. Colors of the flowers rich orange and lemon. **Prince of Orange** and **Lemon Queen.** Each trade pkt. 35 cts., 3 pkts. for \$1, ¼ oz. \$2.

Mignonette, Boddington's Majesty. The finest of all the fancy varieties of Mignonette for Winter forcing; an improvement on Allen's Defiance. Seed saved from select spikes under glass. We have received many testimonials with regard to this variety. Trade pkt. 60 cts., ⅓ oz. \$1.00, oz. \$7.50.

Pepper, "Bird's-Eye." H.H.P. This is a miniature Pepper, bearing a great profusion of scarlet berries, borne well above the foliage. This will prove an invaluable plant for Christmas, and is easily grown. Trade pkt., 10 cts., oz. 75 cts.

Primula Malacoides (The Giant Baby Primrose). H.H.P. The flowers measure ½ to ¾ inches across, and the plants branch very freely. The flowers which are of a pretty light lilac, are borne in whorls on stems which are graceful and strong. If grown in a greenhouse can be had in bloom four to five months after sowing. (See illustration.) Trade pkt. 50 cts., 3 for \$1.25.

Primula Fimbriata **Giant Queen Alex-**

andra. G.P. The largest white Primula Sinensis, blooms measuring 2½ inches across. Petals very solid and erect. Robust foliage with red stems. ½ trade pkt. 60 cts., trade pkt. \$1.00.

Myosotis alpestris **elegantissima coerulea fl. pl.**

H.P. Double flowered variety of the blue pyramidal-growing Alpine Forget-me-not, which after repeated trials has turned out to come nearly true (90 to 95 per cent.) from seed. The duplicature of the flowers is formed from several rows of petals of the same shape and color as those of the single-flowered type. Height of the plants, 8 to 9 inches. The double flowers preserve their freshness a long time. Trade pkt. 25 cts., 5 for \$1.

Primula Malacoides

Petunia, Large Double-Fringed rosea. This variety is of the giant double-flowering class of the fringed perfection type; color of the flowers a delightful soft pink and pink and white mottled. Trade pkt. \$1.00.

Primula Kewensis, var. (Farniosa (Veitch)). H.H.P. A new selection obtained from the beautiful Primula Kewensis. The stems and foliage being elegantly covered with a silvery white powder, make it a most charming and effective variety. Trade pkt. 75c.

Primula, New Hybrid, "Queen of Roses."

A lovely new hybrid of P. obconica and P. stellata, producing shapely heads of large and beautiful bright rose-colored flowers, remaining decorative for a long time. 1 ft. Trade pkt. \$1.00, ½ pkt. 60 cts.

PRIMROSES and POLYANTHUS

Polyanthus, Barr's Exhibition. Red shades. Highly colored strain, the result of many years' selection, saved only from richest reds and dark crimsons. Pkt. 25 cts., ¼ oz. \$1.50.

Polyanthus, Barr's Exhibition. Yellow varieties. Saved from rich yellow flowers of finest form. Pkt. 25 cts., ¼ oz. \$1.50.

Polyanthus, Barr's Exhibition. White varieties. Saved from large-flowered whites of finest form. Pkt. 25 cts., ¼ oz. \$1.50.

Primrose-Polyanthus, Munstead Giant Strain. A grand new strain of Primrose-Polyanthus, bearing large trusses of well-formed flowers, ranging in color from soft, pale yellow to the richest and deepest orange, also pure whites with dark orange or pale lemon centers. Pkt. 25 cts., 5 for \$1.00.

Primrose "Inglescombe." A splendid mixture of the choicest strains, highly selected. Pkt. 25 cts., 5 for \$1.00.

Pyrethrum, Comet-Flowered

(*Roseum hybridum grandiflorum*). H.H.P. A selection of the useful and extremely free-blooming perennial Pyrethrums. The flowers are large (2 to 3 inches across), either single or semi-double, and of the most bizarre form, the petals being rolled, twisted, or sometimes tangled together. A similar range of color will be found in these fine Comet-flowered Pyrethrums as among the ordinary type, i.e., from pure white through flesh color and rose to brilliant carmine and blood-red. They will certainly furnish excellent material for cutting. Trade pkt. 25 cts., 5 for \$1.00.

Salvia Zurich. (Novelty, '08.) H.H.P. A new Dwarf Scarlet. A compact, very early and very free-flowering variety of the splendens type, the plant not exceeding more than 12 inches in height, with erect spikes covered with a mass of the most brilliant scarlet flowers. It commences to bloom early in June, and continues to make a grand display throughout the Autumn. Trade pkt. 50 cts., ¼ oz. \$1.75, oz. \$6.00.

Salvia azurea alba grandiflora.

H.H.P. The large-flowering blue Salvia, introduced several years ago, has been found extremely useful and fine even for the most delicate floral work, and this new variety will, on account of its fine white color, be found still more so. The long and slender spikes are covered with large white flowers. We recommend this variety. Trade pkt. 25 cts., 5 pkts for \$1.00.

Scabious, The Bride. H.A. The flower-heads of large size, of the purest snow-white, are borne on long wire-like stems nearly a foot in length and thus lend themselves to all floral work. Trade pkt. 15 cts., 3 pkts. for 40c.

Sweet William, Double Rose.

H.P. Large umbels of handsome rose-colored flowers distinguish this new Sweet William from other already known varieties. Trade pkt. 15 cts., 3 pkts for 50 cts.

Sweet William "Newport Pink." H.P. In color it is what florists call water-melon pink or salmon rose. Strikingly beautiful; the habit of the plant is perfect, being well-formed, neat and compact, the flowers borne in massive heads on stems 18 inches high. Trade pkt. 35 cts., 3 pkts for \$1.00, ½ oz. \$2.75, oz. \$5.00.

Stock, Prince Bismarck, Pure White.

Pyramidal Ten-Weeks.) This fine novelty Stock is of robust

pyramidal habit and reaches the height of 2½ feet and even more under good cultivation. It is somewhat later than the ordinary Ten-Week varieties, usually starts into flower when the former are through blooming. Trade pkt. 15 cts., 3 pkts. for 40 cts.

Stock (Giant), Abundance. (Novelty '10.) H.A. The extraordinary growth of the plant is caused by the central stem dividing into twelve to fifteen lateral branches which in their turn produce fifteen to twenty side shoots, forming magnificent spikes of flowers. Color, fine shade of carmine-rose, similar to Queen Alexandra. Trade pkt. 25 cts., 5 pkts. for \$1.00.

Stock, White Lady Novelty Large-flowering Winter.

Raiser's description. The large-flowering Brompton Stock, Empress Elizabeth, with its brilliant carmine flowers, is generally recognized as one of the best and most beautiful of Stocks, and I am raising from it a series of splendid new colors, the first of which is my new variety, White Lady. This is in every respect the absolute equal of its parent, and produces strikingly large and very double flowers of a lustrous snowy white, about 20 inches high and arrayed in remarkably handsome foliage; the plants throw up a massive central spike like that of a Tree Wallflower, and, branching freely in candelabra fashion, finally assume the shape of a pyramidal bouquet. In comparison with other Winter Stocks, White Lady blooms early and remains longer in flower; it will produce 60 to 65 per cent. of doubles, and certainly surpasses in beauty every White Stock that has been obtained up to the present. Trade pkt. 35 cts., 3 pkts. for \$1.00.

Verbena hybrida compacta lutescens.

H.H.P. Compact, dwarf variety, with erect flower stems, bearing round trusses of creamy-yellow flowers, standing well above the foliage. Trade pkt. 15 cts., 3 pkts. for 40 cts.

Verbena hybrida gigantea (New Giant-flowered Ver-

vena). H.A. These are a new class of Giant-flowered Verbenas that excel all other varieties hitherto known, by the size and color of flower and the rich display of colors and shades which come true from seed. This novelty contains a large percentage of red colors of various shades, such as rose, purple, turkey-red, geranium-red, rosy-scarlet, etc. The florets are very large, with brilliant white eye. Pkt. 25 cts., 5 pkts for \$1.00.

Verbena hybrida pumila "Meteor."

H.H.P. New miniature Verbena, forming very dwarf bushes of 6 to 8 inches in height by 10 to 12 inches in breadth. Excellent for carpet or ribbon borders. Trade pkt. 15 cts., 3 pkts. for 40c.

Viola cornuta, Rose Queen. H.P. Large-

flowered "Horned Pansy" with deep rosy-lilac flowers, essentially different from the V. cornuta rose-lilacina. Being a continuous bloomer, it is very effective in flower beds. Trade pkt. 25 cts., 5 pkts. for \$1.00.

Zinnia, Double Giants (Grandiflora ro-

busta plenissima). H.A. The great interest awakened among our customers last year by the advent of the true double Giant Zinnias in separate colors is an evidence that the other fine new and distinct varieties which we are introducing this season of these splendid show annuals will be equally welcome. They have been made the object of a thorough selection, and will produce huge and very double blooms of 4½ to 6 inches in diameter. We can now offer a grand assortment of 8 distinct colors of our special type of Double Giant Zinnias, which all come fairly true from seed and by blooming freely and late into the Autumn will be found to render invaluable service where showy groups and borders are desired. The following are truly Giant Zinnias, beautiful, large, double flowers, 4½ to 6 inches in diameter: Sulphur-Yellow, Flesh Color, Crimson, Violet, Purple, White, Golden-Yellow, Scarlet. Trade pkt. 20 cts., 3 pkts. for 50 cts. Collection one pkt. each, 8 vars. for \$1.50.

Choice Asters of Recent Introduction

The following varieties have all been tried, and from personal observation and report are worthy and have become very popular in their respective classes.

Daybreak. Flowers very large and double, of a beautiful shell-pink color. This is a grand Aster for cutting purposes, growing 2 feet high. One of the best late market Asters of its color. Trade pkt. 25c., 1/4 oz. 85c., oz. \$3.00.

The Favorite. An aristocrat among the Comet Asters. Color beautiful blush, changing to rich deep pink as the flower becomes older; the petals wavyly reflexed. The plants grow 18 inches high, bearing large-sized blooms of beautiful form, invaluable for cutting. Trade pkt. 25 cts., 1/4 oz. 75 cts., oz. \$2.50.

Purity. One of the most beautiful of the Branching Asters. Double flowers of glistening pure white; similar to Daybreak in form and habit of growth. Trade pkt. 25 cts., 1/4 oz. 75 cts., oz. \$2.50. (See illustration.)

Miss Roosevelt (Victoria). The flowers of this new primrose tint, which after some time changes to a delicate flesh color, like that of the popular Gloire de Dijon Rose. A splendid cut flower. Trade pkt. 25 cts., 1/4 oz. \$1.50.

Purity Asters

Vick's Mikado White. An entirely new class of Branching Asters, growing from 16 inches to 2 feet high, and bearing immense curled and twisted flowers on long, stiff stems, resembling at a distance, huge, ragged Japanese Chrysanthemums. Trade pkt. 25 cts., 1/4 oz. 75 cts., oz. \$2.50.

Vick's Mikado Pink. Extremely fine shade, well set on stiff, long stems; companion to Mikado White. Trade pkt. 25 cts., 1/4 oz. 75 cts., oz. \$2.50.

Snowdrift. Certainly one of the earliest Asters in cultivation. The entire energy of the plant seems given to the production of slender, upright stems 12 to 20 inches long, crowned with immense feathery flowers. Trade pkt. 25 cts., 1/4 oz. 75 cts., oz. \$2.50.

Giant Comet, Ruby. The finely curled flowers, resembling a Chrysanthemum, are raised upon long stems, and open in a glowing scarlet, turning at the close of the period of flowering into dark scarlet. Trade pkt. 25 cts., 1/4 oz. \$1.50.

Giant Comet, Queen of Spain. Primrose, turning to blush; it has the same beautiful effect of coloring as Miss Roosevelt, in the Victorian class. Trade pkt. 25 cts., 1/4 oz. \$1.00.

CHOICE ASTERS OF RECENT INTRODUCTION—Continued

Vick's Violet King. The peer of the grandest Chrysanthemum. The habit is similar to the popular Vick's Branching, vigorous in growth, long, stiff stems; petals somewhat resemble the quilled varieties, but much larger and broader, completely covering the crown. In shape and size the bloom is round, full and large, many of the flowers 4 to 5 inches. Its color is a soft violet-lilac. Trade pkt. 25 cts., oz. \$2.00.

Lavender Gem. A beautiful variety of Aster, of the Comet type, with large, loosely arranged flowers, which are perfectly double, and of a beautiful, delicate shade of lavender; flowers are borne on long stems, and are excellent for cutting. Trade pkt. 25 cts., oz. \$2.00.

Hercules, White. Of imposing aspect, the plants throw up a very strong stem, 15 to 20 inches high, which begins to branch about 4 inches from the ground. Flowers are borne on remarkably strong stalks, are all the purest white, of the genuine Hohenzollern form, with very long petals, and attain the enormous diameter of 6, or, with good culture, as much as 7 inches. Trade pkt. 25 cts., oz. \$2.00.

Cardinal. The color is, as its name implies, a beautiful shade of cardinal. The growth is similar to the Branching Asters, but somewhat dwarfer, but not so dwarf as to prevent its being one of the very best varieties for cutting purposes. Trade pkt. 25 cts., ¼ oz. 75 cts., oz. \$2.50.

Sunset. A seedling from Daybreak. The habit of the plant is the same as the well-known varieties Daybreak and Purity. The color of the flowers is a delicate shade of light pink, shading to a rich pink in the center, making a beautiful combination of colors in one deep flower. The flowers are globe-shaped and are borne on long stems in profusion. Trade pkt. 25 cts., ¼ oz. 75 cts., oz. \$2.50.

Aster, Crimson King. It has all the good qualities of Vick's Late Branching type, with extra large, densely double flowers, few under 5 inches across, on stems 15 to 18 inches long, in color a very rich blood-crimson, full of fire, making a brilliant bed or border, and very desirable for cutting, the color showing up well under artificial light. Trade pkt. 25 cts., ¼ oz. \$1.25, oz. \$4.00.

Aster, Pink Beauty. A magnificent variety of strong, free, upright growth, 24 to 30 inches high, blooming from early in August until well on in September, with frequently as many as fifty flowers open at one time on long, strong stems, and averaging 4 inches across, of chrysanthemum shape, the inner petals incurved, outer reflexed; color a soft, delicate blush-pink; a shade that is always in demand for cutting. Trade pkt. 25 cts., ¼ oz. \$1.25, oz. \$4.00.

Aster, Diadem. H.A. The plant grows about 10 inches high, and bears a profusion of double flowers of rather small size, two or three outer rows of petals being pure white, and forming a distinctly defined band in charming contrast to the inner petals, which are bright rosy crimson, deepening to rich purple-crimson toward the center. Trade pkt. 25 cts., ¼ oz. 85 cts., ½ oz. \$1.50, oz. \$2.50.

Calceolaria Hybrida, Boddington's Perfection

The herbaceous Calceolaria is an easily cultivated plant. So long as frost is excluded from the plants in winter they are perfectly safe, and to attempt to hasten growth at any time is a failure. July is the best month for sowing the seed. The great advance made in the habit of the strains offered is remarkable, whilst in the colors there is a marked improvement. Saved by England's most famous specialists. Monster flowers of rich and varied colors, including spotted, faced, blotched, and self-colored varieties. ½pkt. 60 cts., pkt. \$1.

GIANT SWEET SULTAN (*Centaurea Imperialis*). H.A.

This new *Centaurea* represents the best that has been produced in these beautiful summer-blooming plants. The bushes are about 4 feet high, and are covered with large, beautiful flowers of the form and fragrance of *Centaurea Margaritæ*. The flowers will keep for over a week in water, if cut just when they are about to open. It is of easiest culture. If a package is sown every two or three weeks until July, a constant succession of bloom can be had throughout the whole summer and fall. This is one of the best of the hardy cut-flowers, and they are forced very extensively under glass by florists.

Boddington's Pure White. One of the best white flowers for cutting; extremely large, sweet and beautiful.

Armida. Very delicate color; pink with white tinge.

Iphigenia. Delicate rose-lilac, white center.

Favorita. Brilliant rose.

Graziosa. Intense dark lilac.

Lilacina. Lilac; very distinct.

Purpurea. Brilliant purple-rose.

Rosea. Deep rose.

Splendens. Brilliant dark purple.

Variabilis. White, marked purple, fading to rose.

Any of above kinds, trade pkt. 15 cts., oz. 50 cts.

Crispa. 6 ft. Purple. Summer

Davidiana. 5 ft. Lilac. Summer

Boddington's Matchless Cinerarias

In the culture of the Cineraria the one mistake so often made is that of sowing the seed too soon. The plants thus raised, more often than not, make a rank growth; this is not in any sense desirable. By sowing in May and June plants large enough for all decorative purposes can be had. In after treatment the aim should be to secure as hardy a growth as possible. Sturdy plants with leaves of medium size are best.

Boddington's Matchless Cineraria

BODDINGTON'S MATCHLESS CINERARIA. A combination of the three most famous English strains, which we can recommend to those wishing to grow the best. **Tall,** ½ trade pkt. 60 cts., trade pkt. \$1; **Dwarf,** ½ trade pkt. 60 cts., trade pkt. \$1.

Boddington's Gigantic Cyclamen

The seed of Cyclamen is often sown too early in the year; from the middle of August to the end of September is the best time. The seedlings should be grown on to the flowering stage without any check whatever. When grown cool the results are most satisfactory. Boddington's Gigantic Cyclamen are unequaled for size and quality of the bloom. A magnificent strain of Cyclamen with flowers of extraordinary size and substance.

Gigantic White Butterfly. Pure white; immense flowers.

Gigantic Snowflake. The largest of all white Cyclamen.

Gigantic Cherry-Red. Most brilliant and effective.

Gigantic Rose. Immense flowers of a pleasing shade of light rose.

Gigantic Syringa Blue. An attractive shade of blue.

Gigantic Pink. Exquisite shade of soft pink.

Gigantic Crimson. Most striking color; under artificial light appears to be almost luminous.

Gigantic Crimson and White. A magnificent flower of the largest type.

Any of the above varieties, trade pkt. 50c., 100 seeds \$1, 1,000 seeds \$8

Gigantic Mixed. A mixture of the above varieties in proper proportion. Trade pkt. 50 cts., 100 seeds \$1, 1,000 seeds \$7.50.

PRINCESS MAY. A very pretty type of Cyclamen. Color pink, with suffused blotches of crimson at base of petals. Trade pkt. 50 cts., 100 seeds \$1.

SALMON QUEEN PINK. Undoubtedly the most distinct and beautiful color found in Cyclamen. Habit good and foliage handsomely marked. Trade pkt. 50 cts., 100 seeds \$1.

Cyclamen Persicum giganteum, Salmonium splendens. Similar to the foregoing, only color more unique and intensified. Trade pkt. 50 cts., 100 seeds, \$1.

Cyclamen Persicum giganteum, Roccoco. The flowers, which are beautifully fringed, measure 5 inches in diameter; are borne on straight upright stems. Trade pkt. 50 cts., 100 seeds \$1.

Cyclamen Persicum giganteum, Bush Hill Pioneer. A beautiful new feathered Cyclamen in various colors. Trade pkt. 50 cts., 100 seeds \$1.

Dianthus in Variety

DIANTHUS HEDDEWIGI LACINIATUS FL. PL., SNOWDRIFT

A grand new double white Summer Pink; large flowers. One of the best introductions. Trade pkt. 25 cts., 5 pkts. for \$1.00.

DIANTHUS LACINIATUS MIRABILIS (H.A.)

This remarkable and perfectly distinct new strain of annual Pinks originated in Japan. The plants grow from 12 to 15 inches in height and produce their large, lovely flowers of about 3 to 4 inches in diameter, on stiff, upright stems. The fringes are turned and twisted in all directions. There are all shades of color, from pure white and white with pink or red zones to rose and deep purplish red. Trade pkt. 15 cts., oz. 75 cts.

DIANTHUS LACINIATUS MIRABILIS FL. PL.

Their colors are very rich and varied, ranging in all shades from pure white and white with pink or red zones to rose, and all intermediate colorings to dark purplish red, including fine striped varieties. Trade pkt. 25 cts., 5 pkts. for \$1.00.

DIANTHUS LACINIATUS (H.A.)

SALMON QUEEN. Delicate salmon-red, very rich intense color. Trade pkt. 10 cts., oz. \$1.00.
SALMON QUEEN, Double. A splendid double variety of the above. Trade pkt. 25 cts., oz. \$3.00.

DIANTHUS SUPERBISSIMUS, QUEEN ALEXANDRA

A very fine, pure white variety. The purest and largest flowered white Dianthus ever offered. This should prove one of the handsomest and finest cut flower varieties. Trade pkt. 15 cts., oz. \$3.00.

Francoa ramosa (Bridal Wreath) G.P.

Beautiful decorative plant, which is of the easiest possible culture. During the Summer months it produces a large number of elegant sprays of pure white flowers. Excellent for cutting. Height, 2½ ft. Trade pkt. 25 cts., 5 pkts. for \$1.00.

Finest Mixed, all varieties	¼ lb. 50 cts...	.05

ESCHSCHOLTZIA, BODDINGTON'S CARMINE KING

Carmine King, a beautiful rose-colored variety, in many instances as intense on the inside as on the outer petals, which gives it an altogether bright and novel effect. Trade pkt. 25 cts., oz. \$1.00.

Fern (Spores)**CULTURAL DIRECTIONS**

Take a clean 5- or 6-inch pot, or 6- to 7-inch pan, and fill it to within 2 inches of the top with coarse ashes; on top of this put about 1½ inches of fine soil and firm down; give good watering with boiling water, using a fine rose; after drying off a little, sow the spores but do not cover, put in a saucer filled with water placing a pane of glass over the pot or pan. Never top-water. After first real leaves appear they should be pricked out into flats.

SINGLE HYBRID EVERBLOOMING HOLLYHOCKS.

Plants can be treated exactly as annuals; the seed may be started in the house or hotbeds in March or April, and will commence to flower in July, and stay uninterruptedly in flower until very late in the season, in a very rich collection of colors, from snowy, white, rosy carmine, yellow, blood-red to the deepest black. Plants branch out freely and grow to a height of about 10 ft. Trade pkt. 10 cts., oz. 50 cts.

DOUBLE HYBRID EVERBLOOMING HOLLYHOCKS.

This mixture contains a rich collection of colors, from white to deep black, light and canary-yellow, flesh-color, dark, light and salmon-rose, scarlet, cherry, red, purple, blackish brown, etc. The plants can be treated as above. Trade pkt. 25c., oz. 50 cts.

Trade pkt. Oz.

HUMULUS Japonicus (Japanese Hop).

H.P. 12 ft. Fast-growing annual climber \$0 10 \$0 20

Japonicus foliis variegatus. A variegated form of preceding 15 25

HUNNEMANNIA fumariaefolia

(Giant Yellow Tulip Poppy, or Bush Eschscholtzia). This is by far the best of the Poppy family for cutting, remaining in good condition for several days. Seed sown early in May will, by the middle of July, produce plants covered with their large buttercup-yellow poppy-like blossoms, and never out of flower until hard frost. The plants grow about 2 ft. high. ¼ lb. \$1.50 10 50

ICE PLANT (*mesembryanthemum crystallinum*).

A little trailing plant of dwarf habit for rockwork or flower borders 10 25

IBERIS Gibraltarica. H.P. Hardy

Candytuft of vigorous growth. Fine for rockwork; flowers delicate lilac, borne freely 25 2 00

Larkspur, Boddington's Scarlet Defiance

An improvement by careful selection of the Newport Scarlet Larkspur. Trade pkt. 25 cts., ¼ oz. 50 cts., oz. \$1.50.

Larkspur, Boddington's Emperor

A grand type of Annual Delphiniums. Height about 2 feet, of candelabra habit, with about 12 branches. Grand for cutting. **Rose, White, Black-Blue, Azure-Blue, Striped, Tri-color, Violet, White Striped and Brilliant Carmine.**

Collection of above 9 varieties, 80 cts. Per trade pkt., each 10 cts., oz. 40 cts.

For Perennial Larkspur, See Delphinium, Page 16.

BODDINGTON'S GIANT HYACINTH-FLOWERED, CHOICEST MIXED. Trade pkt. 10 cts., oz. 25 cts.

BODDINGTON'S GIANT HYACINTH-FLOWERED, NAVY BLUE. Trade pkt. 15 cts., ¼ oz. 50 cts., oz. \$1.50.

Lantana, Boddington's New Dwarf Compact Hybrids

Quite a novelty in bedding plants, dwarf, elegant and showy, comprising all shades of orange and red. A distinct and useful break. Trade pkt. 25 cts., oz. \$2.00.

LANTANA Hybrida. Orange and red verbenalike flowers. Finest mixed. Trade pkt. 10 cts., oz. 20 cts.

Impatiens Holstii T. A.

It forms bushes 1½ to 2 ft. high, and resembles in habit, foliage and shape of flower the popular I. Sultani, but surpasses it in its quicker and more vigorous growth and its larger and brighter-colored flowers. Trade pkt. 25 cts., 5 pkts. for \$1.00.

IMPATIENS HOLSTII, NEW HYBRIDS (Mixed)

It is seldom that a novelty comes as quickly into general favor as the splendid East African Balsam, I. Holstii. With its brilliant vermilion-red flowers, it is indeed an excellent pot plant. It may be remarked that the broad-petaled blooms are 1¼ to 1½ inches in diameter. The new colors now offered are quite distinct. Trade pkt. 25 cts., 5 pkts. for \$1.00.

IMPATIENS HOLSTII DELICATA

Exceedingly large-flowering hybrid of Impatiens, obtained by artificial crossing. The color of the blossoms is very delicate light rosy pink, with a darker center. Trade pkt. 25 cts., 5 pkts. for \$1.00.

IMPATIENS Sultani (Perennial Balsam). G.S. Brilliant rosy scarlet. Trade pkt. 25 cts., ½ oz. \$1.50.

Incarvillea Delavayi (Hardy Gloxinia) H. P.

A hardy tuberous-rooted plant, and one of the choicest perennial plants introduced in recent years. It produces large, gloxinia-like rose-colored flowers, which last in perfection a long time; these are produced in clusters on stems 18 inches high; should be protected with a covering of leaves during the Winter. Trade pkt. 25 cts., oz. \$3.50.

For roots, see page 45.

KENILWORTH IVY (Kentucky Ivy; Linaria cymbalaria). H.P. Trailing perennial. Violet flowers. Trade pkt. 10 cts., oz. \$1.50.

Kochia trichophylla (Mock Cypress, or Fireball) H. A.

A pretty half-hardy annual, forming compact bushes about 2½ feet in height, with small feathery light green drooping foliage, which changes, as the Summer advances, to a deep green and to a crimson hue in September. Seed may be sown in March, giving the same treatment as for Balsam or other similar annuals, care being taken to secure a good drainage, as it is sometimes slow in germinating; or seed may be sown in April and the seedlings planted out two feet apart in the open border about the end of May. Trade pkt. 15 cts., oz. 50 cts.

KOCHIA Scoparia. Similar to the above, but not so graceful. Trade pkt. 15 cts., oz. 50 cts.

Seed saved from the finest types only. Trade pkt. 25c., oz. \$4.50.

LOBELIA TENUIOR

A charming species of flowers which are large for the genus, being 1 inch in diameter. The plant is of light and graceful habit, reaching a height of about 1 foot; the leaves are variable in shape, but usually more or less pinnatifid. The profusion and long continuity of its flowers throughout the summer months cannot fail to make it most popular for use in the greenhouse, either as a pot or basket plant. **Blue, White or Rose.** Each, trade pkt. 25 cts.

Lupinus, Snow Queen H.H.P.

BODDINGTON'S POT MYOSOTIS

Forget-me-nots are delightful subjects for flowering indoors at Christmas time, and as they are everywhere welcome the practice of growing plants in pots is rapidly increasing. Sown in July and potted on, the strain we offer produces fine free-growing specimen plants. Trade pkt. 50 cts., 3 pkts. for \$1.25.

MYOSOTIS, RUTH FISCHER (Forget-me-not)

This is indeed a grand novelty. Compact bushes, 12 inches in diameter, and literally covered with sprays of beautiful, heavenly blue Forget-me-not flowers. The individual spray is composed of from six to ten blooms, which are giants compared to the well-known flower. For edging in borders, or for a pot plant, no finer blue flower has been in existence. This variety is absolutely hardy, and, with little protection, will survive the most severe winters. Trade pkt. 25 cts., 5 for \$1.

MIMULUS (Monkey Flower). H. H. P. 1 ft. Trade pkt. Oz.

Cardinalis. H. P. Tall orange-scarlet \$0 25

NICOTIANA SANDERAE HYBRIDS

These superb new forms have been obtained by crossing *Nicotiana Sanderae* with *N. alata* and *N. sylvestris*. They come in eight separate colors, ranging from pure white to deep scarlet, some of the intermediate tints being of exquisite beauty. They are perfectly hardy and will bloom in the open air all through the summer. Collection of eight varieties, 75 cts.

Sanderae Hybrids Mixed. Trade pkt. 10 cts., 1/4 oz. 50 cts.

Nigella, Miss Jekyll (Love-in-a-Mist) H.A.

Lovely variety, giving an abundance of long-stemmed flowers, which are of a clear cornflower-blue, prettily set in slender foliage. One of our most attractive annuals. The plants are extremely hardy, and an autumn sowing produces the best specimens for flowering the following summer. Height 18 inches.

Those who require plenty of long-stemmed, graceful flowers of all attractive cornflower-blue color should obtain seed of this delightful variety of Love-in-a-Mist, and sow in the open air during April. Trade pkt. 15 cts., oz. 50 cts.

Finest Mixed. Trade pkt. 10 cts., oz. 20 cts.

BODDINGTON'S QUALITY NASTURTIUMS

Dwarf, or Tom Thumb

(*Tropæolum nanum*)

These have a neat, compact habit and attractive foliage, are not disturbed by insects, bloom in two months from sowing and most profusely the whole season. A bed of them in full bloom is a perfect glory of color, and a good 6- x 20-foot bed will yield about 1,000 flowers per day. Average height, 9 inches.

Pentstemon Gloxinoides, Boddington's Hybrids

The hardy Pentstemons are not very well known in America, but they are among the most showy of perennials. The varieties we offer are saved from large gloxinia-shaped flowers, comprising the most varied colors from white to deepest crimson, with intermediate shades of rose, pink and lavender. Seeds sown in heat during January or February will bloom the same season. Trade pkt. 50 cts., 3 pkts. \$1.25.

Our Specialty "Quality" Flower Seeds for Florists

BODDINGTON'S GIGANTIC PANSIES

Can be produced only from the giant strains. Our **CHALLENGE PANSY** seed contains only the giant self-colors, the giant striped and variegated and the giant blotched, etc., all carefully mixed in proportion. You could not buy better seed if you paid \$100 per ounce. Our Challenge Pansy seed during the past season gave unprecedented satisfaction, and every order booked last year was duplicated and increased this year. All the testimonials received mentioned specially the high grade of flowers—color, form and size of the individual blossoms. This year, by adding improved types, intending customers can absolutely rely on a duplication of this season's success with increased satisfaction. Our "mark" for this strain is "Challenge," and it is all the word denotes.

Boddington's Giant "Challenge" Pansies

Pansy—Boddington's "Challenge"—All Giants

This mixture contains all the finest Giant strains—of the leading Pansy Specialists in the world—the Giant self-colors, the Giant striped and margined, and the Giant blotched, etc., all carefully mixed in proportion—the finest that money can buy—the finest your money can buy. A florist who has grown it said: "Why don't you call it Defiance?"

It is important to save the smallest seedlings, as they produce the finest double flowers. ½ trade pkt. 60 cts.; trade pkt. \$1.00.

BODDINGTON'S CENTURY PRIZE. Gigantic single flowers having the edges deeply ruffled or fluted; fine substance, with deep white throats. Colors vary from pure white to dark purple-violet, many being beautifully striped or veined. ½ trade pkt. 60 cts., trade pkt. \$1.00.

Boddington's Bar Harbor Beauty, Single. The prettiest and the most effective of all single Petunias; color a beautiful rose. Thousands of seedlings show not the slightest variation in color; on this account it is most effective for massing. Trade pkt. 25 cts.

Boddington's Ruffled Giants. A grand selection of single fringed Petunias. Trade pkt. 50 cts.

Boddington's Inimitable Dwarf Compact Hybrids, Single. Flowers blotched and striped. Trade pkt. 25 cts.

Canary Bird. Medium size, finely fringed and curled borders; distinct yellow, which deepens in the throat. Trade pkt. 25 cts., 5 pkts. for \$1.00.

Emperor, Single. Large blossoms, distinct in form, coloring and marking. The solid colors are particularly rich and velvety, some of the crimson blossoms have pink stars, some pure white, while others are distinctly striped. Trade pkt. 50 cts.

Howard's Star. Rich crimson, with a distinct white star in center. Trade pkt. 25 cts., oz. \$2.00.

Rosy Morn. Soft carmine-pink. Trade pkt. 25 cts.

Snowstorm. Pure single white. This variety comes true from seed. Trade pkt. 25 cts.

Hybrida, Single Mixed. Trade pkt. 15 cts., oz. 50 cts.

Boddington's Snowball, Double. The finest double pure white. ½ trade pkt. 60 cts., trade pkt. \$1.00.

PETUNIA "RHEINGOLD" (*Petunia grandiflora superbissima*)

Petunia "Rheingold" belongs to the Superbissima class of large-flowering Petunias. It has very large flowers of noble shape, whose widely opened throat, far up toward the outer margin, is steeped into a clear, bright golden yellow. Trade pkt. 25 cts., 5 pkts. for \$1.00.

PETUNIA, KING ALPHONSO

This fine new Petunia of the Grandiflora superbissima class, bears very large, dark crimson flowers. The petals are boldly waved and frilled to such an extent that the widely opened brilliant black throat of the flower is often almost concealed. A grand variety. Trade pkt. 25 cts., 5 pkts. for \$1.00.

PHYSALIS Alkekengi (Chinese Lantern Plant, or Winter Cherry). H.P. Very pretty red-podded plants. Hardy and easy to cultivate. Much used for "market bouquets" and Winter decoration. Trade pkt. 25 cts.

Bunyardi. (New.) Rich scarlet capsules; medium size, not quite so large as Franchetti but more pointed and richer in color. Trade pkt. 50 cts.

Franchetti. 2 ft. Orange-scarlet, Fall. Trade pkt. 10 cts., oz. 75 cts.

Phlox Drummondi Grandiflora

Quality Florists' Flower Seeds, Our Specialty

Boddington's Matchless Giant Primulas

PRIMULA SINENSIS

Our *Primula Sinensis* seed has been specially grown for us by the most celebrated English Primula specialist. The flowers are remarkable, not only for size, beauty and brilliancy of the colors, but for the great substance of the petals. Considerable care is necessary in order to secure the successful germination of the seed of the choice kinds of *P. Sinensis*. The most suitable periods for sowing are January to May for autumn, and June to August for spring blooming. Shallow pans, well drained, are the best, the soil consisting of sandy loam and leaf-mould, worked through a fine sieve; the pans when thus prepared, should be well watered before the seed is sown. Only a slight covering of soil or sand is needed. What has most to be guarded against is drought; the soil should be kept in as equal degree of moisture as possible, never being on the dry side. We attribute more failures to this cause than to any other. Just at the time when the seed commences to germinate the least departure from this is fatal.

Boddington's Matchless Giant Primulas, Mixed. This selection includes all my finest Giant Single Primulas of the plain-leaved class. ½ trade pkt. 60 cts., trade pkt. \$1.

Boddington's Matchless Giant Pure White.

Boddington's Matchless Giant Blush-White.

Boddington's Matchless Giant Orange King. A delightful novelty; almost orange.

Boddington's Matchless Giant Rose.
Boddington's Matchless Giant Scarlet.

Boddington's Matchless Giant Royal Blue.

Each, ½ trade pkt. 60 cts., trade pkt. \$1.
Collection of the above 6 varieties, ½ trade pkt. each for \$3.50.

The Duchess. The large pure white flower, with its unique zone of bright rosy carmine, surrounding a clear yellow eye, is simply unapproachable in its beauty. ½ trade pkt. 60 cts., trade pkt. \$1. (See illustration.)

Boddington's Giant Double Crimson Star. Very fine double form of the *Stellata* type. ½pkt. 60 cts., pkt. \$1.

Boddington's Matchless Giant Primula, The Duchess

PRIMULA OBCONICA GIGANTEA

The following varieties are vast improvements on the old type of *P. obconica*, being freer flowering and of sturdier habit. In habit and foliage they resemble the beautiful *P. cortusoides*, and it is one of the most useful Primulas for pot culture or for the open border during the summer months. To obtain good plants for winter and early spring flowering, the seed should be sown in warmth the previous April or May, and wintered in a cool greenhouse or frame.

Primula obconica gigantea Kermesina. Beautiful deep crimson.

Primula obconica gigantea alba. The pure white flowers greatly enhance the beauty of the existing lilac, rose and crimson shades.

Primula obconica gigantea lilacina. Beautiful lilac.

Primula obconica gigantea rosea. Lovely rose.

Primula obconica gigantea grandiflora. Mixed varieties, containing pure white to deep crimson.

Each of above, ½pkt. 30 cts., pkt. 50 cts.

PRIMULA floribunda grandiflora (Buttercup). Small yellow flowers, borne in great profusion; fine for pots. Pkt. 50 cts.

Forbesi (Baby Primrose). Pkt. 25 cts.

PRIMULA KEWENSIS (Giant Buttercup)

This plant is a strong grower, with bright green leaves and numerous erect flower-scapes 10 to 18 inches in height, producing flowers in whorls at intervals along their whole length. The flowers are fragrant, bright yellow in color, with a slender tube and spreading limb nearly an inch in diameter. As a Winter-flowering decorative plant it is an acquisition; very floriferous when in a small state. ½ trade pkt. 60 cts., pkt. \$1.00.

BODDINGTON'S LARGE-FLOWERED SALPIGLOSSIS

Highly ornamental half-hardy annual, with large, veined, funnel-shaped flowers, much prized for cutting; very showy in beds or borders. Those who grow a bed of these beautiful plants will find it one of the most striking features of the garden during July and August. Height 3 ft. Finest mixed. Trade pkt. 50 cts., oz. \$2.00.

Saintpaulia Ionantha (G. S.)

(African Violet)

An interesting plant; the leaves are dark green, of fleshy consistence and downy surface; flowers violet-like both in color and shape. 1¼ inch in diameter, and gracefully borne on stalks 2 to 3 inches high. When well established it will continue to bloom throughout the year, making it a most desirable plant. Trade pkt. \$1.00.

SENSITIVE PLANT (*Mimosa pudica*). H.H.A. 1 ft. One of the most remarkable and interesting plants in cultivation; the leaves, when touched, instantly fold up. Pkt. 10 cts., oz. 25 cts.

Viola (Scotch, or Tufted Pansies)

The Scotch Violas, or Tufted Pansies, have of late years been greatly appreciated. There are a great number of varieties, varying in color from pale lavender to deep rich purple, with many charming intermediate shades. They are very free-flowering and cannot be surpassed for bedding purposes; in light, rich soil and a moist situation they will continue to bloom from Spring till late in the Autumn.

Palm Seeds

We make it a point to deliver nothing but absolutely fresh seeds of the different varieties of Palm Seeds, shipments of which we are constantly receiving from various parts of the tropics. As the various varieties ripen at different seasons of the year, we have indicated below, as nearly as possible, when each sort will arrive, and as these seeds lose their germination very quickly, we earnestly solicit orders in advance.

	Per 100	1,000
Kentia Forsteriana. March	\$0 60	\$5 00
“ Belmoreana. March	60	5 00
Cocos Weddelliana. January	1 00	7 50
Areca lutescens. April	1 00	7 50
Latania Borbonica. February	30	2 50
Livistona rotundifolia. April	2 00	17 50
“ Chinensis	1 00	7 50
Phoenix rupicola. March	1 00	7 50
“ reclinata. March	50	3 00
“ Canariensis. March	30	3 00
“ Roebelinii	1 25	10 00
Pandanus utilis. March	1 25	10 00
Latania Chinensis. March	2 00	15 00
Musa Ensete. March	1 00	7 50

Ornamental Grasses

The perennial varieties, many of which have beautifully variegated foliage, are valuable for borders and clumps on lawns or among shrubs. The annual sorts are chiefly grown for their elegant flower panicles, which are useful in bouquet work and for dried flowers. They should be cut before being fully expanded.

	Trade pkt.	Oz.
Agrostis nebulosa. One of the most elegant annual sorts. 1 ft.	\$0 25	\$0 60
Andropogon argenteus. Hardy perennial with silvery plumes; very ornamental in groups. 3 ft.	25	75
Avena sterilis (Animated Oats). The long sensitive awns readily expand and contract, causing the seed to move about; annual. 18 in.	15	30
Anthoxanthum gracile. For edgings; annual.	15	30
Arundo donax variegata. Stately perennial with drooping green and white striped leaves; excellent for lawn clumps. 9 ft.	25	1 00
Briza gracilis (Small Quaking Grass). Beautiful for bouquets; annual. 1 ft.	15	30
“ maxima (Large Quaking Grass). Elegant panicles, excellent for bouquets and dried flowers; annual. 1 ft.	15	30
Bromus Brizaeformis. Large drooping panicles, useful for bouquets; annual. 2 ft.	20	40
Coix lachryma (Job's Tears). A strong broad-leaved grass with large shining pearly seeds; annual. 3 ft.	15	30
Erianthus Ravennae. A hardy perennial grass resembling the Pampas, with beautiful foliage and fine silvery plumes; excellent for lawn specimens. Blooms the first year from seed if sown early. 8 ft.	20	50
Eragrostis elegans (Love Grass). Elegant for bouquets and for use with Everlasting flowers; annual. 1 ft.	25	75
Eulalia Japonica foliis vittatis. This is one of our finest hardy perennial grasses, with long graceful leaves, dark green and white striped. It is one of the most beautiful for forming clumps. 4 ft.	25	1 00
“ zebrina (Zebra Grass). The dark green leaves are barred or crossed at intervals with broad markings of yellowish white. Few variegated plants equal this in beauty	25	1 00
Gynerium argenteum (Pampas Grass). Half-hardy perennial with magnificent silvery plumes. 10 ft.	20	75
Hordeum Jubatum (Squirrel-tail Grass). Bushy panicles; excellent for bouquets; annual. 3 ft.	15	30

Ornamental Grasses (Annual)

	Trade pkt.	Oz.
Lagurus ovatus (Hare's-tail Grass). Hardy annual with silvery gray tufts; useful for dried-flower work. 1 ft.	\$0 15	\$0 50
Pennisetum longistylum. An annual grass with gracefully drooping heads. 2 ft.	15	30
“ Ruppelianum. The foliage is long and slender, gracefully recurved and glossy deep green in color. If sown in March in heat, the plants should bloom by the middle of July, and the silvery plumes tinted with violet-purple waving in the sunlight are exquisitely beautiful; hardy perennial. 3 ft.	20	50
“ Ruppelianum atrosanguineum. Similar to above but beautifully bronzed.	50	
Stipa pennata (Feather Grass). Hardy perennial with silvery white, feathery plumes. 2 ft.	20	50
Finest Mixed. Many sorts.	15	30

Quality means the best and finest types procurable in their respective classes. We go to specialists for our flower seeds. Our customers, the florist, the private gardener, demand the highest grade. We have no cheap catalogue trade. “Quality” may mean a little higher price. “Quality,” in fact, means “quality,” and we know that when you buy from us you get it,—and our customers know it too.

Bulbs for Planting

AND FOR SALE IN YOUR STORE

BODDINGTON'S QUALITY LARGE-FLOWERING TUBEROUS-ROOTED BEGONIAS

Single-Flowering Tuberous-Rooted

For planting in beds and where color effect is desired. Our stock of these bulbs will be found true to color and free from mixture.

Crimson	Rose	Salmon
Scarlet	Pink, Light	Orange
White, Pure	Yellow	Copper

Large bulbs measuring $1\frac{1}{4}$ inches and upward, separate colors or all colors mixed, 35 cts. per doz., \$2.25 per 100, \$20 per 1000; extra large bulbs $1\frac{1}{2}$ inches and up, same colors as above, 40 cts. per doz., \$2.75 per 100, \$25 per 1000.

Double-Flowering Tuberous-Rooted

These can be depended upon producing 100 per cent. double flowers and contain very large and choice varieties.

Crimson	White, Pure	Yellow
Scarlet	Copper Bronze	Orange
Rose	Salmon	Light Pink

Large bulbs measuring $1\frac{1}{4}$ inches and upward, separate colors or all colors mixed, 50 cts. per doz., \$3.50 per 100, \$30 per 1000; extra large bulbs $1\frac{1}{2}$ inches and up, same colors as above, 65 cts. per doz., \$4 per 100, \$35 per 1000.

Single-flowered, Tuberous-rooted Begonia

Double-flowered, Tuberous-rooted Begonia

Single Crested Begonias

This strain of Begonias ranges in all colors—salmon, pink, white, yellow, copper and scarlet; petals carry on the upper side a crested-formed cockscomb. Separate colors, 75 cts. per doz., \$6.00 per 100; mixed, 65 cts. per doz., \$5.50 per 100.

Single Frilled Begonias

These are of the finest types of the single Begonia, the petals being heavily frilled on the edges. To color, 10 cts. each, 65 cts. per doz., \$5 per 100; all colors mixed, 60 cts. per doz., \$4.50 per 100, \$42.50 per 1000.

Single Begonia Bertini

A beautiful bedding Begonia, brilliant vermilion flowers of rare beauty. As a bedder it stands unrivaled. 75 cts. per doz., \$6 per 100.

Double Begonias

Doz. 100

Duke Zeppelin. Intense pure vermilion-scarlet...\$1 00 \$7 50
Lafayette. Rich brilliant crimson-scarlet.....1 25 10 00

Phosphorescent (Double). A real jewel; extremely floriferous and, by its clear red flowers, produces a marvelous effect in the sun when planted in groups. Also well adapted for pot culture. \$1.00 per doz., \$8 per 100.

Surpasse Davisii (Double). Numerous flowers of a deep red, borne freely on straight stems; the plant has the appearance of bronze; very effective; certainly one of the most beautiful varieties among the free-flowering Begonias. 75 cts. per doz., \$6.00 per 100.

The Best Dahlias for Florists

Jack Rose. (Decorative type.) The color is similar to the **Jacqueminot Rose**, and is a unique color in the Dahlia, which lights up beautifully at night. \$1.00 per doz., \$8.00 per 100.
 Price of all the below-named varieties of Dahlias, large divided clumps or roots, except where noted, 10 cts. each, \$1 per doz., \$8 per 100, \$75 per 1,000.

Decorative Dahlias

Catherine Duer. Strong-growing, free-flowering crimson-scarlet.

Clifford W. Bruton. Best yellow; immense size; perfect form.

Flora. Very large, pure white. An early and profuse bloomer on long stems.

Gigantea. Truly gigantic and massive in form. The individual petals are short and it requires many to form such a monstrous flower. Color a soft sulphur-yellow; distinct and attractive. \$1.25 per doz., \$10.00 per 100.

Golden Wedding. Probably the largest Dahlia in existence, being fully twice as large as **Yellow Le Colosse**. The plant is also a giant. The flowers, which are of a deep golden yellow, are produced on stems 3 feet and more in length. This is one of the best varieties ever produced. 50 cts. each, \$5.00 per doz., \$40.00 per 100.

Kaiserin Augusta Victoria. The immense, perfect pure white flowers are borne in great profusion on most erect, stout stems fully 18 ins. long, all above foliage.

John Elitch. Very large, fine form. Deep rich maroon.

Mrs. Chas. L. Seybold. A distinct bright crimson-pink, each petal tipped white; a striking, beautiful variety. \$1.25 per doz., \$10.00 per 100.

Lyndhurst. One of the best bright scarlet.

Maid of Kent. Cherry-red, tipped white.

Miss Virginia Maule. Color delicate pink; branching habit; blooms early and profusely. \$2 per doz., \$15 per 100.

Mme. A. Lumiere. Unique coloring; pure white, with violet-red points, a fine contrast of colors; very distinct. 4 ft.

Mme. Van den Dael. A splendid decorative variety for cutting; color soft rose with deeper markings, shading to creamy white in the center. \$1.50 per doz., \$12 per 100.

Nymphæa. Color clear, light shrimp-pink.

Perle de Lyon. (New.) The most valuable white decorative Dahlia yet introduced, perfect in form, pure in color and produced on long stiff stems, and very free-flowering. \$2.00 per doz., \$15.00 per 100.

Souv. de Gustave Douzon. A decorative variety of mammoth proportions, which under ordinary cultivation will produce flowers 6 inches across, and can be grown to measure full 9 inches. Of free growth, remarkably profuse-flowering, pure scarlet. (See illustration.) \$1.25 per doz., \$10 per 100.

Sylvia. Best described as a Giant **Nymphæa**, being stronger, larger and deeper colored. Flowers 4 to 6 inches in diameter, of fine form and full to the center, which is white, shaded to soft pink on the outer petals. One of the best cut flower varieties.

William Agnew. Rich, dazzling red; immense size.

Yellow Colosse. This is the best yellow now in existence. The flowers come very perfect on good long stems. \$1.25 per doz., \$10.00 per 100.

Pompon Dahlias

Allie Mourey. Pinkish white, tipped deep pink; small compact flowers.

Catherine. Finest pure yellow.

Little Herman. Deep red, tipped white.

Snowclad. The finest white Pompon to date.

Cactus Dahlias

Countess of Lonsdale. A pleasing blending of amber and salmon.

Country Girl. Base of petals golden yellow, suffused with salmon-rose, which is deepest at the points.

Crayfish. Beautifully formed; long, narrow, incurved petals; very large; bright coppery scarlet.

Earl of Pembroke. Bright plum.

Effective. Rose, shaded deep amber.

Floradora. Dark velvety crimson; continually covered with finely shaped bloom.

General Buller. Color deep, rich, velvety maroon, tipped white.

Kriemhilde. One of the finest pink Cactus Dahlias.

Perlehlilde. Delicate pink, white center.

Pink Pearl. Soft rose pink, tinting lighter toward center.

Prince of Yellows. One of the best of the yellow Cactus.

Schwan. Absolutely the largest and most perfect, and besides the only free-blooming pure white Cactus Dahlia in existence. Stems average 15 inches. \$1.25 per doz., \$10 per 100.

Standard Bearer. Brightest scarlet; profuse bloomer.

Strahlein Krone. Intense cardinal-red.

White Hilde. Pure white. \$1.75 per doz., \$14 per 100.

Show and Fancy Dahlias

A. D. Livoni. Beautiful soft pink; early and profuse bloomer.

Arabella. Pale primrose, shaded old rose and lavender.

Chas. Lanier. The largest yellow show Dahlia to date. Very rich yellow and fine for cutting.

Alice Emily. Delicate buff with center clear yellow.

Frank Smith. Deep maroon, white tips.

Grand Duke Alexis. Very large white, tinted pale lavender.

Gold Medal. Bright canary-yellow, regularly marked with fine stripes and splashes of deep red.

Princess Victoria. Profuse bloomer; very long graceful stems. Petals not quilled, but cupped, while the flower is absolutely full to center.

Queen Victoria. Deep yellow; fine for cutting.

Red Hussar. Pure cardinal, red flower, splendid for cutting.

Storm King (Blizzard). Flowers are snow-white; extremely early and a free bloomer. This is the florists' ideal white. \$1.25 per doz., \$10 per 100.

White Swan. Snow-white, with long stems.

Single Dahlias

THE 20TH CENTURY. Intense rosy crimson, with white tips and white disc around the yellow center.

Dahlias to Color

We can also furnish without names, in mixture, all colors separate, or all colors mixed, as follows:

Mixed Pinks, Mixed Whites, Mixed Reds, Mixed Yellows. 75 cts. per doz., \$5.50 per 100, \$50 per 1000.

Mixed, all colors, 60 cts. per doz., \$4.50 per 100, \$40 per 1000.

Souv. de Gustave Douzon

Boddington's Quality Cannas

Having concluded a very large contract for Cannas (nearly a million), we are enabled to offer first-class dormant roots in sound condition, with not less than two or three eyes each, in the following varieties, true to name. Cannas shipped by freight at owner's risk.

Red-flowering, Green Foliage Cannas

Louisiana. A strong, vigorous-growing variety, attaining a height of 7 feet, producing a dense mass of glossy green foliage and vivid scarlet flowers, often measuring 7 inches across. 35 cts. per doz., \$2.25 per 100, \$17.50 per 1000.

A. Bouvier. 5 ft. Dark crimson. 30 cts. per doz., \$1.75 per 100, \$15.00 per 1000.

Alice Roosevelt.

Deep crimson. 4 ft. 50 cts. per doz., \$3.75 per 100, \$35.00 per 1000.

Beaute Poitevine.

3½ ft. Dark crimson. 35 cts. per doz., \$2.75 per 100, \$25.00 per 1000.

Black Prince.

Intense dark velvety maroon; grows strong and erect, 3 to 4 feet; fine dark red stems, and deep green leaves edged with purple. 50 cts. per doz., \$2.75 per 100, \$25.00 per 1000.

Charles Henderson. 4 feet. Bright crimson. 35 cts. per doz., \$2.00 per 100, \$17.50 per 1000.

Crimson Bedder.

3 ft. Intense scarlet. 40 cts. per doz., \$2.25 per 100, \$20.00 per 1000.

Duke of Marlboro

4½ ft. Dark crimson. 35 cts. per doz., \$2.00 per 100, \$17.50 per 1000.

J. D. Eisele. Brilliant vermilion-scarlet. 5 ft. 35 cts. per doz., \$2.25 per 100, \$20.00 per 1000.

Explorateur Crampbell.

Flowers deep rich crimson, 5½ ft. 35 cts. per doz., \$2.00 per 100, \$17.50 per 1000.

Express. Color scarlet-crimson; the clusters are large and compact; foliage green. Dwarf habit, 2 to 2½ ft. 75 cts. per doz., \$5.50 per 100, \$50.00 per 1000.

President Cleveland.

Fine large flowers in heavy erect trusses; rich, bright, orange-scarlet; very showy and handsome. 3 ft. 35 cts. per doz., \$2.25 per 100, \$20.00 per 1000.

Pres. McKinley. Brilliant crimson, with scarlet shading. Dwarf habit, growing only 2½ to 3 feet. 35 cts. per doz., \$2.25 per 100, \$17.50 per 1000.

Pres. Meyer. A glorious Canna, color rich cherry-carmine, producing a gorgeous effect; bronzy foliage. 4 ft. 75 cts. per doz., \$3.50 per 100, \$30.00 per 1000.

Pillar of Fire. The giant of its class, grows 6 or 7 feet high; flowers bright crimson-scarlet, borne in erect spikes like blazing torches; continuous bloomer, invaluable for center of beds, etc. 35 cts. per doz., \$2.25 per 100, \$20.00 per 1000.

Tarrytown. A grand crimson variety. 3½ ft. 35 cts. per doz., \$2.25 per 100, \$20.00 per 1000.

Red, Gold-Edged, Spotted and Yellow Cannas

Duke of York. Largest and most magnificent of the variegated Cannas. Bears great bunches of immense flowers; color a beautiful rich deep crimson, with a throat of curiously mottled creamy white, and each petal exquisitely edged with border of fine gold. 4 to 5 feet. 15 cts. each, 75 cts. per doz., \$5.50 per 100, \$50.00 per 1000.

Evolution. The flowers are a rich golden-yellow, shading to a center of beautiful blush pink. Such exquisite, dainty color, mounted on the handsome dark bronze foliage, produces one of the most rare and pleasing color contrasts. 50 cts. per doz., \$2.75 per 100, \$25.00 per 1000.

Gladiator. The flowers are bright yellow, thickly spotted with crimson. 4 ft. 40 cts. per doz., \$2.75 per 100, \$25.00 per 1000.

Gladio-Flora. Color crimson, changing to carmine-rose, with an uneven edge of gold to each petal. Height 3½ ft. 75 cts. per doz., \$5.50 per 100, \$50.00 per 1000.

Golden King. A grand yellow variety. 5 ft. 40 cts. per doz., \$2.75 per 100, \$25.00 per 1000.

Jean Tissot. One of the brightest; color an intense, brilliant vermilion, with bright orange shadings. 5 ft. 35 cts. per doz., \$2.25 per 100, \$20.00 per 1000.

Niagara. 3 ft. Color rich deep crimson with a wide irregular border of deep golden yellow. Green foliage. 50 cts. per doz., \$2.75 per 100, \$25.00 per 1000.

Mad. Crozy. 5½ ft. Vermilion with gold border. 50 cts. per doz., \$2.75 per 100, \$25.00 per 1000.

Queen Charlotte. 3½ ft. A grand Canna, with a distinct golden belt around each petal, the center brilliant orange-scarlet, with crimson tones. 50 cts. per doz., \$3.75 per 100, \$35.00 per 1000.

Premier. Crimson red, bordered yellow. 2½ ft. 50 cts. per doz., \$3.75 per 100, \$35.00 per 1000.

Souv. de A. Crozy. 4 ft. Crimson with gold band. 40 cts. per doz., \$2.75 per 100, \$25.00 per 1000.

Yellow Shades

Buttercup. 3½ ft. Clear golden yellow. 40 cts. per doz., \$2.75 per 100, \$25.00 per 1000.

Florence Vaughan. 5 ft. Yellow, spotted crimson. 35 cts. per doz., \$2.25 per 100, \$20.00 per 1000.

Richard Wallace. In color it is a pleasing canary-yellow, with exceptionally large flowers, which are carried well above the green foliage in upright, well-branched trusses. 4½ ft. 40 cts. per doz., \$2.75 per 100, \$25.00 per 1000.

White and Cream Shades

Alsace. 3½ ft. Creamy white. 30 cts. per doz., \$1.75 per 100, \$15.00 per 1000.

Pink-Flowering Cannas

L. Patry. Flowers of delicate rose-pink, standing well above the foliage. 4½ ft. 35 cts. per doz., \$2.25 per 100, \$17.50 per 1000.

Louise. 5 ft. A grand variety, somewhat similar to Mlle. Berat, much taller, and very free-flowering. 35 cts. per doz., \$2.25 per 100, \$17.50 per 1000.

Mlle. Berat. 4½ ft. Rose-carmine, 30 cts. per doz., \$1.75 per 100, \$15 per 1000.

Venus. 3½ ft. One of the softest and most delicately-colored varieties that have yet been introduced. The flowers are of a fair size, of a soft rosy pink, with a pretty mottled border of creamy yellow and has a bright green foliage. 75 cts., per doz., \$4.25 per 100, \$40 per 1000.

Bronzed-leaved, Red-Flowering Cannas

Brandywine. This is undoubtedly the best bronze-leaved bedding Canna, a remarkably even grower. A healthy, vigorous grower of 4 to 5 feet. Makes a luxuriant growth of dark bronze foliage and a magnificent display of fine large flowers. Color is intense vinous red, beautifully mottled with deep crimson; two to three petals are sometimes narrowly edged with bright gold. Brandywine has foliage almost as dark as Black Beauty. Doz. 100 1000
\$0 50 \$2 75 \$25 00

David Harum 3½ ft. Vermilion-scarlet 50 2 75 25 00

Egandale. 4 ft. Currant-red..... 35 2 00 17 50

King Humbert. In this grand Canna we have a combination of the highest type of flower with the finest bronze foliage. Its flowers, which, under ordinary cultivation, will measure six inches in diameter, and which are produced in trusses of gigantic size, are of a brilliant orange-scarlet with bright red markings, while the foliage is broad and massive, and of a rich coppery bronze; bold and effective. 4 ft..... 75 3 25 30 00

Leonard Vaughan. 4½ ft. Bright scarlet 40 2 75 25 00

Musafolia. This is one of the finest foliaged Cannas, with enormous musa-like leaves, 3 by 5 feet, of a dark green, bronze-tinged color, the edges of the leaves being beautifully banded with bronze-purple 35 2 25 20 00

Robusta. Height 6 to 8 feet, with immense foliage 30 2 00 17 50

Shenandoah. A splendid bronze-leaved variety; large salmon flowers. 6 ft. 35 2 00 17 50

Orange Shades

Wyoming. Might be called King of the Giants, for it is one of the most majestic, with the double attraction of having a luxuriant growth of rich purple foliage. Above this are borne great plumes of massive orange-colored blossoms, true orchid-shaped with large rounded petals. Height 7 ft. 35 2 25 20 00

Pennsylvania. 5 ft. Green foliage; deep orange-scarlet 30 1 75 15 00

Mrs. Kate Gray. 6 ft. Green foliage; orange-scarlet and yellow 30 1 75 15 00

Orchid-flowering Cannas

Allemannia. 4 to 5 ft. Green foliage; scarlet and yellow. 30 1 75 15 00

Austria. Pure canary-yellow; an orchid-flowering type. 5 ft... 30 1 75 15 00

Canna Types

Indiana. The foliage of this variety forms a solid mass of green 3 to 4 ft. high; above this the flower spikes shoot up to a height of 6 feet, each one bearing fine big clusters of orchid-like flowers. Color is a glistening golden-orange, daintily marked and striped with red. Single blossoms are often 7 inches across Doz. 100 1000
\$0 35 \$2 00 \$17 50

Italia. 4½ ft. Green foliage. Red bordered yellow 30 1 75 15 00

Philadelphia. 5 ft. A bright glowing red, very rich and velvety 40 2 75 25 00

We are the largest handlers of Cannas in the world. Our prices upon Cannas will bear comparison with any house in the Canna business.

Our Cannas are true to name—two and three, sometimes four eyes—are sound, dormant, and are packed 250 in a box, two can be “cleated” together and shipped as one. One box of 250 sold at thousand rate; it is cheaper for you to buy a box of 250 than 200 at 100 rate. Write for special prices or quantities.

If any Cannas are not found here, it may be understood that they are superseded by the foregoing. If selection is left to us we will substitute or send only the best for all purposes.

Boddington's Quality Gloxinias

GLOXINIA ERECTA GRANDIFLORA

This popular flowering plant is coming into greater vogue than ever, not only as a pot plant for house decoration, but also for cut flower purposes. Our strains of Gloxinias are the true erect-flowering type, grown by a specialist in Europe.

GLOXINIA ERECTA SUPERBISSIMA

Having during the past season been requested to secure some specially fine Gloxinias for exhibition purposes, we have made arrangements with a noted Gloxinia specialist in England to reserve for us some of the most distinct types. The bulbs are not so large as the Named Varieties, but this is a characteristic of most Erecta superbissima varieties.

BODDINGTON'S IDEAL PRIZE GIANT MIXED. Great variety of superb colors.

CYCLOPS. Velvety carmine, shading to a broad white border, throat dotted with dark red.

DUCHESS OF YORK. Flowers of a rich dark blue, each petal being edged with a broad band of white. A most striking and lovely variety.

SPOTTED HYBRIDS. Whenever exhibited, they create intense interest. The delicate markings, in an infinite variety of forms, add a special charm to the flowers.

DUKE OF YORK. Large scarlet Gloxinia with deep white edge to each petal. A magnificent flower.

HER MAJESTY. This exquisite Gloxinia is still unsurpassed by any other white variety. The flowers are as pure as newly fallen snow, and are borne on short stems, just clear of the elegantly recurved foliage.

READING SCARLET. In color this is the most brilliant Gloxinia in existence, being an intense glowing scarlet variety of the true Crassifolia habit. An admirable companion to Her Majesty.

\$2.00 per doz., \$15.00 per 100

Grand Novelty Orchid-flowered Gladiolus KUNDERDI "GLORY"

has "distinctiveness" stamped all over it; it will not only revolutionize the family of garden Gladiolus but will be one of the most important factors in commercial floriculture. The type is distinctively new. Broad-expanded, wide-open flowers, paired by twos, face all in the same directions, and are carried on straight, stout stalks never less than 3½ feet in height. From four to eight flowers are open at one time. The form: each petal is exquisitely ruffled and fluted at the edges, such as is only noticeable in Orchids. It gives the flower a refined appearance, and it appeals instantly to the fancier. The color is delicate cream-pink with a neat attractive crimson stripe in the center of each lower petal. The shade of pink is unknown in Gladioli. 10 cts. each \$1.00 per doz., \$7.50 per 100, \$70.00 per 1000.

GLADIOLUS "PEACE"

This is the grandest white variety ever offered and the international title of "Peace" was selected for this valuable type, which will become a standard variety and secure a permanent place in every country when known.

This variety is not only new, distinct and of more than special merit, but of the wonderful vitality, which will insure perfect satisfaction under all reasonable conditions.

The plant is most striking and attractive; its massive proportions, broad, heavy foliage of a rich green, erect and vigorous habit of growth, give evidence of the constitution and vigor rare in light colored hybrids. These qualities are further proven by its exceptional reproduction powers, by offsets and division.

Matured bulbs are large, smooth and practically immune from disease, and produce plants five feet high, before the bloom spike appears.

The flowers are large, of good form and correctly placed on a heavy, straight spike. They are a beautiful white, with a pale lilac feathering on the inferior petals.

"Peace" is not an early bloomer but rather medium to late, and planted at the same time with other stock, it is in its best condition when most other varieties have passed blooming. It is of exceptional value to the florist at this time when there are few other light colored flowers in bloom.

Grand Novelty Gladiolus, Kunderdi "Glory"

BODDINGTON'S QUALITY GLADIOLI

AMERICA

This beautiful new Gladiolus has produced as great a sensation as the now famous Princeps. The flowers, which are of immense size, are of the most beautiful flesh-pink color, and, as a florist who saw it said, it is "fine enough for a bride's bouquet." 50 cts. per doz., \$3.75 per 100, \$35.00 per 1,000.

The Grand Giant Gladiolus, Hollandia (The Pink Brechleyensis). Flowers well arranged on a spike which attains a height of about 4 feet. Often as many as 30 blooms of a charming pink shade tinted yellow are open at one time. First size bulbs	100	1000

CALADIUM

Caladium Esculentum

(ELEPHANT'S EAR)

Bulbs measuring 6 to 8 inches in circumference, 200 in a case, 25 cts. per doz., \$2.25 per 100, \$20 per 1000.

Bulbs measuring 8 to 10 inches in circumference, 100 in a case, 50 cts. per doz., \$3.50 per 100, \$30 per 1000.

Bulbs measuring 10 to 12 inches in circumference, 75 in a case, 75 cts. per doz., \$5.50 per 100, \$50 per 1000.

Bulbs measuring 12 to 13 inches in circumference, 50 in a case, \$1 per doz., \$8 per 100, \$75 per 1000.

Monster bulbs measuring 13 inches and upward in circumference, 25 in a case, \$1.50 per doz., \$12 per 100.

Full cases at 1000 rate.

Fancy-Leaved Caladiums

A grand English collection containing twenty varieties personally selected by us from over one hundred sorts submitted by pressed leaves last Summer, from which we selected the cream. Extra fine bulbs in 20 varieties, \$3.50 per doz., \$25 per 100.

Brazilian Collection of 25 varieties. \$1.50 per doz., \$12.00 per 100.

Mixed Brazilian Varieties. \$1.25 per doz., \$10 per 100.

CALADIUM ARGYRITES (Fancy-Leaved Caladium)

This is a variety seldom seen in most collections, although one of the most elegant of the genus. Ground color light green, center and margins white, with many irregular white blotches. Exceedingly useful for table decorations, for edging benches in the "stove" or greenhouse. \$2 per doz., \$15 per 100.

CINNAMON VINE

Large-size bulbs, 40 cts. per doz., \$2.25 per 100, \$20.00 per 1000.

CALLAS, SPOTTED LEAF (*Richardia albo-maculata*)

Very free Summer-blooming variety. \$2.25 per 100, \$20 per 1000.

DIELYTRA SPECTABILIS (Bleeding Heart)

Field-grown, 75 cts. per doz., \$6 per 100.

AMARYLLIS

VITTATA HYBRIDS

These are grown specially for us and contain a remarkable range of colors from self pure white to darkest crimson, or flaked and striped. These are easily grown. Florists should certainly grow a few of this delightful plant that sells on sight.

40 cents each, \$4.00 per dozen, \$8.00 per 25, \$30.00 per 100.

Pottsi grandiflora . Bright yellow, flushed with red	75	6 00
Soleil Couchant . Bright red.....	75	5 00

NEW GIANT MONTBRETIAS

GERMANIA. Grows from 3 to 4 feet high, producing graceful, free-branching flower-spikes, bearing very large, widely expanded flowers 2 to 3 inches across. The color is a rich, glowing orange scarlet, with red throat. \$2.25 per 100, \$20.00 per 1000.

GEORGE DAVISON. Variety of great merit and a splendid Montbretia. The stems are 3 feet high, eight to ten-branched, bearing lovely pale orange-yellow flowers 3 inches across, widely expanded and tinted deeper orange externally. It is among the first to flower. Strongly recommended. 75 cts. per doz., \$5.00 per 100.

MESSIDOR. A very distinct new seedling, tall growth, spikes much branched; color maple-yellow, passing to pale yellow, this is the nearest approach to a white variety at present. 20 cts. each, 75 cts. per doz., \$5 per 100.

MARTAGON. Deep orange, with brownish center, reflexed petals; very beautiful. 40 cts. per doz., \$2.50 per 100.

THE GREAT ISMENE (*Ismene Calathena Grandiflora*)

Those who are familiar with the true Giant Ismene cannot say enough in praise of its beauty and purity. The flowers are of a very large size, like an Amaryllis, novel form and of snowy whiteness, and are also exceedingly fragrant. Bulbs are large and strong and begin to flower in two or three weeks after planting; a fine florist's flower. \$1 per doz., \$7.50 per 100.

JAPANESE IRIS

(*Iris Kaempferi*)

The collections which we offer below are **American grown**, thoroughly acclimated and hardy and true to color and name, which is rarely evident in the imported Japanese stock. The Japan Iris will succeed anywhere in a good rich soil, though a moist position is preferable.

DOUBLE JAPANESE IRIS

- Antelope.** White ground, flaked and blotched.
Beauty. Pale violet, slightly veined white, white and yellow center.
Blue Danube. Deep indigo-blue, violet shading, yellow center.
Crystal. Pale violet, slightly veined white.
Eclaire. Largest pure white.
General Kuroki. Pure white; very fine.
Gold Bound. Pure white one of the best.
Mount Hood. One of the finest blues.
Mr. Fell. Silvery white, veined violet, violet center.
Oriole. Somewhat similar to crimson tuft, but an improvement.
Paragon. Rich velvety purple, center marked with bright orange; very distinct.
Princess Clothilde. White, veined lightly pink, center light violet.
Pyramid. Lilac-blue, veined with white center on each petal.
Robert Craig. French gray, veined violet.
The Bride. White; handsome flower.
Victor. White, veined violet-purple.

SINGLE JAPANESE IRIS

- Apollo.** Pure white, pink center.
Apple Blossom. White, spotted with light pink.
Conde. Violet-purple, with deep violet tint; purple and yellow center; each petal with a silvery white edge.
Anna Christ. Pale lavender, slightly veined, center white.
Plume. White, slightly suffused blue, violet veined, center deep lilac.
Venus. Lovely pure white.
Neptune. Light pink, shaded violet, deep pink center.
Norane. Fine violet color, with gray vein marks darker toward the center.
Tortoise. Magenta, flaked and dotted with white.
Prices on above single or double: \$1.00 per doz., \$6.50 per 100, \$60.00 per 1000

GERMAN IRIS

- Africa.** Dark blue.
Belmont. Light yellow, dwarf.
Dr. Glook. Yellow.
Fragrans. White, falls penciled blue.
Gypsy Queen. Light bronze, falls purplish red.
- Henriette.** Yellow.
Mme. Chereau. Pearly white, daintily edged lavender.
Leopold. Yellow, velvet anthers.
Spectabilis. Early and free; blue.
Stella. Light blue.
- 50 cts. per doz., \$4.00 per 100, \$38.00 per 1000

Iris Kaempferi, Eclaire

Iris Pallida Dalmatica

This is the grandest variety of all the German Iris. Color deep clear lavender, very large, flowers sweet-scented. This Iris should be planted largely where cut flowers are in demand, as it is certainly the best of its class. A grand variety for massing in borders; it is superb. \$1.50 per doz., \$12.00 per 100.

The roots offered below are extra-strong pieces, having 3 to 5 eyes each.

Miscellaneous Bulbs

Lycoris squamigera, or Amaryllis Halli

(THE MAGIC LILY OF JAPAN)

A perfectly hardy Amaryllis, producing beautiful pink flowers. One of the hardy Amaryllis never widely introduced and almost lost to floriculture.

Lycoris squamigera produces in early Spring foliage which grows until July, when it ripens off and disappears, and one not familiar with its habits would think the bulb had died, but about a month later, as if by magic, the flower-stalks spring from the ground to a height of 2 or 3 feet, developing an umbel of large and beautiful lily-shaped flowers 3 to 4 inches across and from eight to twelve in number, of a delicate lilac-pink.

As the bulb is perfectly hardy without any protection, it can be planted either in the Fall or Spring. Cover the crown about 4 inches. Very useful for cut flowers in the Summer.

Strong blooming bulbs, 10 cts. each, \$1.00 per doz.,
\$6.50 per 100

Apios *tuberosa* (Tuberous-rooted Wistaria). Clusters of rich, deep purple flowers, which have a strong, delicious violet fragrance. Tubers, 20 cts. per doz., \$1.50 per 100, \$12.00 per 1000.

Calla *Elliottiana*. This is the great new Yellow Calla of marvelous beauty. Flowers are large, rich dark golden yellow, often 4 to 5 inches across the mouth; leaves are beautifully spotted with white. Bulbs of this variety are very scarce. Extra large bulbs, 25 cts. each, \$2.25 per doz., \$17.00 per 100.

Incarvillea *Delavayi* (Hardy Gloxinia). This comparatively new perennial from northern China has been found hardy in the United States. We recommend, however, a liberal mulching where left out during Winter. The tubers may be lifted in Autumn and stored in the same manner as Dahlias, and replanted in Spring. The foliage resembles that of the Acanthus, while the blossoms appear like clusters of pink Gloxinias. It is extremely decorative. Strong roots, 10 cts. each, 75 cts. per doz., \$5.00 per 100.

Oxalis (Summer-Flowering) *Deppei*. Pure white; very fine.

Lasiandra. Fine rosy pink, beautiful cut foliage.

Shamrock. Lovely clover-like foliage and pink blossom.

Mixed Colors. Several colors.

10 cts. per doz., 35 cts. per 100, \$2.50 per 1000

Spiraea *palmata rosea*. The beautiful deep pink hardy Spiraea. \$1.00 per doz., \$7.50 per 100.

Spiraea *Aruncus*. The grand hardy white Spiraea. 4 to 5 feet. \$1.00 per doz., \$7.50 per 100.

Tritoma *Pfitzeri*. This is one of the best herbaceous plants for Summer cutting, an everblooming type of the old "Red-Hot Poker." Cut blooms displayed in a florist's window never fail to attract the attention and admiration of the general public. Blooms freely from July until frost. Field-grown roots, 75 cts. per doz., \$5.00 per 100, \$45.00 per 1000.

Lycoris squamigera

Tigridias, Giant California. We are introducing a strain of California-grown Tigridias, the bulbs of which are very large, solid and vigorous. These fine bulbs keep perfectly well over Winter under ordinary conditions, whereas smaller ones dry out and decay. They also make a remarkably strong and vigorous growth, blooming early and with remarkable profusion.

Canariensis. Bright yellow.

Conchiflora. Yellow-spotted.

Speciosa. Deep red, spotted purple.

Lilacia. Brilliant violet-crimson.

Grandiflora alba. White, crimson spots.

Boddington's New Hybrids. Giant flowers of red, white, yellow, orange, rose, crimson and gold, with shades and combinations of color never shown before by Tigridias.

Any of the above, 50 cts. per doz., \$3.50 per 100, \$27.50 per 1000.

For other bulbs, seeds or plants, see our retail catalogue—mailed free.

Hardy Shrubs and Climbers

AMPELOPSIS Strong Dutch-Grown

Ampelopsis Veitchii (Boston Ivy). Extra-strong imported vines, 3-year-old. \$1.25 for 10, \$12.00 per 100.

KUDZU VINE

The quickest climber known in horticulture; grows 1 to 2 feet per day. Invaluable for quickly covering unsightly objects. Strong roots, 20 cts. each, \$2.00 per doz., \$15.00 per 100.

ARISTOLOCHIA SIPHO

Dutchman's Pipe. Strong, field-grown, 3 to 4 feet. 35 cts. each, \$2.75 for 10, \$25.00 per 100.

CLEMATIS

Henryi. Pure white; extra large. **Jackmanni**. Purple.

Alba. White. **Sieboldi**. Lavender.

Ville de Lyon. Brilliant carmine-red.

Extra-strong plants, 30 cts. each, \$2.75 for 10, \$25.00 per 100.

Clematis paniculata. Strong, 2-year-old plants, \$1.75 per doz., \$14.00 per 100.

WISTARIA SINENSIS Extra strong, Field-grown

Blue. 6 to 7 feet. 40 cts. each, \$3.75 for 10, \$35.00 per 100.

White. 6 to 7 feet. 40 cts. each, \$3.75 for 10, \$35.00 per 100.

Hybrid Roses, Crimson Ramblers, Etc.

The right time to buy Roses is when they are fresh and well ripened. Roses potted up in the Winter become better established and force better, and are more satisfactory in every way, and you can retard or force at your leisure. We recommend the American-grown "Ramblers." Don't attempt to force imported Ramblers; the general experience is that they are failures.

HARDY HYBRID PERPETUAL ROSES

We offer **extra-strong forcing** two-year-old dormant, low-budded stock, in the following varieties, true to name:

Price, 75 cts. for 5 (of one variety), \$15.00 per 100, \$140.00 per 1000 (immediate delivery)

- Alfred Colomb.** Carmine-crimson; a grand Rose.
Anne de Diesbach. Bright carmine.
Ball of Snow. Large, pure white.
Baroness Rothschild. An exquisite shade of satiny pink.
Capt. Christy. Flesh color, deepening to center.
Clio. Satin blush; very fine new sort.
Duke of Edinburgh. Bright vermillion.
Frau Karl Druschki. The finest white in existence.
Gen. Jacqueminot. Brilliant crimson.
John Hopper. Bright rose, with carmine center.
La France. Peach-blossom pink.
Margaret Dickson. White, with pale flesh center.
Marshall P. Wilder. Cherry-rose and carmine.
Magna Charta. Dark pink; one of the easiest Roses to grow.
Mme. Gabriel Luizet. Light, satiny pink.
Mrs. John Laing. Rich, satiny pink.
Mrs. Sharman-Crawford. Deep rosy pink.
Paul Neyron. Lovely dark pink.
Persian Yellow. Hardy yellow Rose.
Prince Camille de Rohan. Dark crimson-maroon.
Soleil d'Or. Large, globular flowers, varying in color from gold and orange to reddish-gold, shaded with nasturtium-red.
Ulrich Brunner. Cherry-red; grand Rose.
 For prices, see above.

Frau Karl Druschki, or Snow-White Rose

Hybrid Tea, or Everblooming Roses

Hybrid Tea, or Everblooming Roses are becoming more popular every year; while not so hardy as the perpetuals, with slight protection in Winter they carry over in splendid shape and give a wealth of bloom all through the Summer months and late in the Fall till frost checks them.

The following collection is the latest offering in this beautiful and increasingly popular class and are two-year-old English field-grown

Avoca. Color crimson-scarlet; buds very long and pointed; flowers large and sweetly perfumed \$1 75 \$25 00

Countess of Gosford. A very beautiful variety of the Hybrid Tea class, somewhat resembling Killarney. Color delicate pink; fine flower and bud; a splendid acquisition 1 00 17 50

Dean Hole. Large, full flowers; perfectly formed; large petals, silvery carmine shaded salmon; very distinct and free-flowering and a beautiful Rose for all purposes. Awarded Gold Medal, N. R. S., of England..... 1 00 17 50

Dorothy Page Roberts. A lovely shade of coppery pink suffused with apricot-yellow, more especially at the base of the petals, which are very large, massive and of great substance. Awarded a Gold Medal, National Rose Society of England. 1 75 25 00

Elizabeth Barnes. Satiny salmon-rose, with a fawn center, suffused with yellow, outside of petals deep rosy red, shaded with copper and yellow. The shades of color are most beautiful and novel. A truly grand and superb Rose 1 25 20 00

Konigin Karola (Improved Testout). Magnificent. 40 cts. each..... 1 75 30 00

Liberty. Very free-flowering, bright crimson-scarlet, of an even shade throughout; floriferous \$1 00 \$17 50

Harry Kirk. New, Irish, Yellow Tea Rose. Harry Kirk is absolutely unique, a splendid Rose, of most robust growth, with free-branching habit, flowering freely and continuously; the blooms are large, full, with large, smooth petals of great substance; the form is perfect, the buds long and elegant. Color deep sulphur-yellow, passing to a lighter shade at the edges of the petals. In our judgment, it is by long odds the finest yellow everblooming Rose yet introduced, a color much wanted..... 1 00 17 50

Mrs. Aaron Ward. Indian-yellow, occasionally washed salmon-rose; very large, full, elongated flowers, very free 1 75 25 00

Molly Sharman-Crawford. Large full flower; color delicate eau-de-Nil which, as the flower expands, becomes dazzling white 2 00 30 00

Mme. Jules Grolez. A beautiful satiny china-rose color, very bright and attractive. A distinct and pretty Rose, which should be planted extensively..... 1 00 17 50

Hybrid Tea, or Everblooming Roses—Continued

American Beauty

Bundle 100
of 5

Mme. Ravary. Buds golden yellow, open flowers nankeen-yellow\$1.25 \$20.00

Prince of Bulgaria. Large and quite full; outer petals superb rosy flesh, with the reflex petals of a slightly lighter tint 1 25 20 00

Viscountess Folkestone. A large, full flower of creamy pink, shading to deep salmon-pink at the center; very floriferous..... 1 50 22 50

William Shean. Purest pink, with delicate veination; petals shell-shape. Gold Medal N. R. S., England 1 25 20 00

White Killarney. This white queen of the Irish Roses excels any other of its class. The color is pure white. White Killarney, like its prototype, is unusually hardy and without protection has stood severe Winters as far north as Boston..... 1 75 25 00

Bundle 100
of 5

Kaiserin Augusta Victoria. An almost pure white Rose. Shaded a beautiful primrose. Fine for indoor or outdoor Summer-blooming\$1 00 \$17 50

The Lyon. Originated by the raiser of Etoile de France. Perpetual flowering. Vigorous grower. The blooms are very large with broad petals, full and globular in form; shrimp-pink at the ends of the petals, center coral-red or salmon-pink shaded with chrome-yellow. Very fragrant 1 00 17 50

The Killarney Rose. This is a grand Rose for either indoor or outdoor cultivation; is a strong grower and the blooms, which are of a beautiful pink, are borne in great profusion 1 00 17 50

Maman Cochet Roses. The best of all Roses for Summer-flowering and cutting.

Maman Cochet (Pink). Color a clear, rich pink changing to silvery rose; very double and fragrant 85 15 00

Maman Cochet (White). A sport from the above, with all its characteristics; color a beautiful snow-white, at times tinted with the faintest suggestion of blush, the same as is often found in the Bride 85 15 00

Rose, Etoile de France. Superb crimson-red velvet, the center of the bloom vivid cerise-red. The Queen of the Everblooming Red Roses. The most free-blooming and vigorous Red Rose ever introduced 85 15 00

EESSIE BROWN. Creamy white..... 1 25 20 00

GRUSS AN TEPLITZ. No Rose in commerce can compare with this as a bedder. It is a perfect sheet of richest crimson-scarlet all Summer. A strong, vigorous grower 85 15 00

RICHMOND. The well-known red Rose of commerce 1 00 17 50

PRESIDENT CARNOT. Almost pure white Rose, shading to soft pink, very distinct and excellent for indoor or outdoor Summer growing..... 1 00 17 50

BETTY. Coppery-yellow, overspread with golden-rose 1 25 20 00

MADAME ABEL CHATENAY. Carmine-rose, shaded salmon-pink 1 00 17 50

MILDRED GRANT. Cream, with a faint blush of pale rose 1 00 17 50

American Beauty. Almost too well-known for description, but as popular today as twenty years ago. Rosy carmine, shaded salmon; flowers large and full; very floriferous 85 15 00

Caroline Testout. Bright satin rose, with brighter center, large full and globular 85 15 00

THE NEW YELLOW FORCING ROSE SUNBURST

This magnificent, giant yellow Rose has been tested for three years; it stands head and shoulders above all other sorts of its color and will rank with American Beauty and the Killarneys in value and grandeur—because

It has a long, pointed bud, which can be cut tight for market. It is pre-eminently a long-stemmed Rose. The stem is always stiff. It is free in bottom breaks. Is extraordinarily vigorous and healthy. Belongs in the class of **Big Roses**. Its keeping qualities rank with the best.

The color is orange-copper or golden orange and golden yellow, all intense shades, extremely brilliant in effect. 2¼-in. pots \$30.00 per 100, \$250.00 per 1000 (own roots); \$5.00 per 100 additional for grafts.

Ramblers and other Climbing Roses

American Pillar. The Grand Single Climbing Rose. A new single-flowering variety of great beauty, which appeals to everyone. The flowers are of enormous size, 3 to 4 inches across, of a lovely shade of pink, with a cluster of yellow stamens. These flowers are borne in immense clusters, and a large plant in full bloom is a sight not easily forgotten. They last in perfection a long time, and are followed by brilliant red hips or berries, which are carried late into the Winter. Bundle of 5 for \$1.75, \$25.00 per 100.

MARECHAL NIEL. Bright, rich golden yellow. Field-grown, \$1.00 for 5, \$17.50 per 100.

GLOIRE DE DIJON. Color buff, orange center, very sweet-scented. Field-grown. \$1.00 for 5, \$17.50 per 100.

CRIMSON RAMBLER. American Grown. The only stock for forcing. Large heavy plants, two years old, mossed and packed in bundles of 10, 3 to 5 feet, X, \$1.75 for 10, \$15 per 100; 4 to 6 feet, XX, \$2.25 for 10, \$20.00 per 100; 7 to 8 feet, extra heavy, XXX, \$4.00 for 10, \$35.00 per 100.

DOROTHY PERKINS. Resembles the Crimson Rambler, except in color, which is a lovely shell-pink, holding a long time without fading. 4 to 5 feet, XX, \$1.75 for 10, \$15.00 per 100; 8 to 9 feet, XXX, \$2.25 for 10, \$20.00 per 100.

TAUSENDSCHON. The new Rambler Rose. The name translated means a "thousand beauties." Color beautiful rose, shading to pink. 85 cts. for 5, \$15.00 per 100.

DELIGHT. Flowers are large, bright red, with white center. This variety is a decided acquisition. Flowers are borne in large clusters from forty to seventy-five in a cluster. Bundle of 10 for \$2.75, \$25.00 per 100.

HIAWATHA. The flowers are single, and are of a deep, intense crimson shade with the petals shading to a pure white base. Flowers very freely. Extra-strong, 2-year, field-grown, flowering plants. Bundle of 10 for \$2.75, \$25.00 per 100.

LADY GAY. A seedling from the popular Crimson Rambler, which it resembles in habit and general effect. The flowers are of a delicate cherry-pink color, which fades to soft white. Strong plants, field-grown, 5 to 6 feet, \$2.00 for 10, \$18.00 per 100.

WEDDING BELLS. A seedling of the Crimson Rambler. The most floriferous Rose yet produced. The color is white with the upper half of the petals soft pink. Fine for forcing. Perfectly hardy. Extra-strong, field-grown flowering plants, 3 to 4 feet, \$1.75 for 10, \$15.00 per 100.

Flower of Fairfield The Everblooming Crimson Rambler

This variety is a sport from the beautiful Crimson Rambler, is similar in color, more brilliant and lasting than the old favorite. It also possesses the further advantage over the Crimson Rambler in the fact that it flowers profusely on the young wood the first year. Flower of Fairfield is a vigorous grower and free bloomer. It starts to bloom early in the Spring and continues until late in the Autumn. It is rightly termed "perpetual blooming." 85 cts. for 10, \$15.00 per 100.

Veilchenblau (Violet-Blue). In Veilchenblau we have practically approached this color. The steel-blue flowers of this new Rose appear in large clusters, are semi-double, of medium size and keep in bloom a long time. The showy yellow stamens contrasting with the blue flower, give the whole a striking appearance. \$1.00 for 5, \$17.50 per 100.

Everblooming Bush, or Baby Rambler Roses

CATHARINE SEIMETH. A white Baby Rambler Rose, larger and better flowers than the type. An important fact is that it has the true rose perfume in a high degree. 75 cts. for 5, \$14.00 per 100.

BABY DOROTHY. The same in habit as Baby Rambler, but the color of the flower is similar to Dorothy Perkins. "Baby Dorothy," when planted out, flowers perpetually from Spring until Autumn. 75 cts. for bundle of 5, \$14.00 per 100.

MRS. WM. H. CUTBUSH. A grand acquisition to the Baby Rambler class. Color intense crimson and exceptionally free-flowering. 75 cts. for 5, \$14.00 per 100.

MME. NORBERT LEVAVASSEUR (The Original Baby Rambler). A dwarf-growing, everblooming Crimson Rambler. This blooms when a small plant and forms clusters of flowers as large as the Crimson Rambler. 75 cts. for 5, \$14.00 per 100.

English Moss Roses

85 cts. for 5, \$15.00 per 100.

CHAPEAU DE NAPOLEON (Napoleon's Hat). A beautiful crested pink variety.

BLANCHE MOREAU. White. **OLD ENGLISH.** Red.

GLOIRE DE MOSSEAUX. Pink.

Rose Tausendschon

Standard, or Tree Roses

(Grafted on Rugosa Stock)

Tree Baby Ramblers, etc.

BABY DOROTHY. (Grown as a Standard.) This variety has created quite a sensation when exhibited at the English National Rose Society's and other shows. "Baby Dorothy," when planted out, blooms perpetually from Spring until Autumn. Flowers rosy pink. 40 cts. each, \$3.50 for 10.

MME. NORBERT LEVAVASSEUR. (Grown as a Standard.) See previous description. 40 cts. each, \$3.50 per 10.

Standard Hardy Hybrid Perpetual Roses

We carry a good stock of these in season, in the varieties best adapted for this purpose. Standards about 4½ feet. Assorted. 50 cts. each, \$5.00 per doz., \$40.00 per 100.

Standard Hardy Tea, or Everblooming

These we have in limited quantity, in the hardiest varieties. Standards about 4½ feet. Assorted. 50 cts. each, \$5.00 per doz., \$40.00 per 100.

RUGOSA ROSES AND THEIR HYBRIDS (*Rosa rugosa*)

Rosa rugosa rubra (Regeliana). Single; crimson.

Rosa rugosa alba. Single; white.

Bundle of 5 for 85 cts., \$15.00 per 100.

The above are the types, below we offer some grand hybrids equally hardy and grand acquisitions

Blanc Double de Coubert. A double white form of *R. rugosa* alba.

Conrad F. Meyer. Clear silvery rose; very fragrant. The bud is as well formed as *La France*; very good.

Madame Georges Bruant. Paper-white; large and double; produced in clusters. A valuable pure white decorative Rose.

All above varieties, 5 for \$1.25, \$20.00 per 100.

" " *variegata*
" *Mayii*
Mixed Varieties

CYCAS REVOLUTA (Cycas, or Sago Palm)

Fresh imported, dry stems, true long-leaf variety, in cases containing about 350 lbs. each; 75 per cent. of the stems 1/2 lb. to 3 lbs. each; 25 per cent., 3 to 6 lbs. each; or we will repack the cases, on arrival, with stems of any size suitable to the customer's requirements. Delivery March and April. Per 10 lbs., 12 cts. per lb.; 100 lbs., 10 cts. per lb.; whole case 7 1/2 cts. per lb.

HYDRANGEA ARBORESCENS

STERILIS

AMERICAN EVERBLOOMING HYDRANGEA,
also called SNOWBALL HYDRANGEA, HILLS OF SNOW,
GRANDIFLORA ALBA, ETC.

Believed to be the most beautiful hardy flowering shrub introduced during the last twenty years. Makes a grand Easter plant. The old well-known *Hydrangea paniculata grandiflora*, which up to the introduction of the new form, has been one

Hydrangea arborescens sterilis

of the most popular flowering shrubs, blooms in this latitude only during August, while the new sort blooms continuously from early June until the end of the growing season. The size of the flower is one of the striking features of this shrub. Blooms 12 inches across are frequent in young plants, while the average size on mature plants is usually 6 inches or more. The flowers are pure white. The flowers, when cut, possess remarkable keeping qualities, remaining in good form and color for many days.

Strong, 2-year-old plants, 1 1/2 to 2 1/2 feet, selected for forcing. \$3.50 per doz., \$30.00 per 100.
1- and 2-year, 15 to 20 inches, \$2.50 per doz., \$20.00 per 100.
8 and 12 inches, \$1.50 per doz., \$10.00 per 100.

HYDRANGEA PANICULATA

GRANDIFLORA

Two-year-old, 3 to 4 feet, 3 to 4 branches. Bushy, \$1.50 per doz., \$12.00 per 100.

"LENOX" LAWN GRASS SEED

We recommend sowing five bushels of seed to the acre. One quart of seed will sow 15x20 feet (300 square feet), one bushel 100x108 feet (10,800 square feet). Price, put up in handsome packages for store trade. \$1.00 per pk., \$3.75 per bus. of 20 lbs., \$12.00 per 100 qts. (in quart cartons).

MUSHROOM SPAWN

Pure Culture Spawn. 20 cts. per brick, by mail, 35 cts.; \$1.00 for 6 bricks, \$1.85 for 12, \$3.75 for 25 bricks, \$7.00 for 50 bricks.

Milltrack Mushroom Spawn. Fresh from the most celebrated maker in England. Made in bricks. Ten pounds will spawn 10 feet square. 15 cts. per lb., \$1.00 for 8 lbs., \$8.00 for 100 lbs.

FERTILIZERS, ETC.

SHEEP MANURE

Owing to our increased facilities we are enabled to carry our sheep manure in carload lots; this sheep manure is pulverized and prepared by special process by which the ammonia is retained and all weed seeds killed, \$1.50 per 100 lbs., \$6.75 for 500 lbs., \$26.00 per ton, 5-ton lots, \$25.00 per ton, F. O. B. N. Y.—F. O. B. Chicago, \$5.00 per ton less. Carload lots, price upon application.

Bone Meal for Roses. \$2.75 per 100 lbs., \$40.00 per ton.

Bone Meal for general use. \$2.25 per 100 lbs., \$35.00 per ton.

Cocoonut Fibre. Bag of about 56 lbs. \$2.00.

Nitrate of Soda 50 cts. for 10 lbs., \$4.00 for 100 lbs.

Clay's Fertilizer. 56-lb. bag \$3.25, 112-lb. bag \$5.50.

For other varieties of QUALITY SEEDS, BULBS or PLANTS, see our retail catalogue and Garden Guide (152 pages) from which prices a liberal discount is allowed. Mailed free on application.

Canada Hard-Wood Ashes. \$3.00 for 200 lbs., \$22.50 per ton.
Scotch Soot. A splendid fertilizer, adding luster to the foliage, as well as a remedy against slugs, grubs, and cutworms. In 100-lb. double lined bags only, \$2.50 per bag, 5 bags for \$11.25, 10 bags for \$20.00, \$38.00 per ton.
